Lake Keuka Road Is Now Open

Laying of Concrete on West Side of Lake Keuka Finished as Far as Lakeside Park

It will be gratifying to motorists who have occasion to use the road on the West side of Lake Keuka to learn that the new state road is virtually completed from the village of Hammondsport to Lakeside Park, or about one mile below Gibsons. Concrete has been laid on both sides of Part II, of this road to the point above mentioned, which is now ready for use.

No more concrete work will be done until Spring on this road. About one mile below Lakeside Park is yet to be completed. Workmen will be engaged grading as long as the weather permits during the winter.

The present highway schedule calls for the construction of Part III, during the year 1924. With the completion of that part in this county and Yates, an improved road will be opened to Penn Yan, making a short cut from Central New York to the Finger Lakes region and the Southern Tier.

Amendments

The amendments and propositions submitted at the recent election were defeated in Yates County. The vote on the questions was as follows:

Amendment	For	Against	Maj.
No. 1	1625	2929	1304
No. 2	1268	2725	2457
No. 3	1150	2893	1743
No. 4	888	2764	1876
No. 5	1663	2329	666
Proposition ..	1730	2560	830

For Member of Assembly James H. Underwood received the usual Republican majority of 2058.

Perhaps no man in the country was interested in the general elections than President Coolidge. The results probably meant as much to him as any man in public life. He is the type who can be looked to for a sound analysis.
