

5. Deposit Fee Day—One day each year should be made a holiday in honor of the guy that invented the Deposit Fee. A better source of joy could not be had. When there is an Athletic Association assessment, "Take it out of the Deposit Fee". Take the expenses for Tech Nite "Out of the Deposit Fee." When they come around to a student for the payment of a year's subscription to this here magazine, he signs a slip and it comes "Out of the Deposit Fee." That Deposit Fee certainly should be honored by a holiday in its name.

One of the staff got himself into trouble shortly after the first issue came out. One of his acquaintances asked him whether he was very busy here at Tech and in enumerating his various activities he mentioned that he was an editor.

Friend—"Editor of what?"

Editor—"Editor of 'What'."

Friend—"What do you mean 'Editor of what'?"

And if the editor hadn't had a copy of "?" in his pocket there might have been disastrous consequences.

#### PITTSBURGH BRANCH ALUMNI NOTES

The regular meetings of the Pittsburgh Branch were held at the Seventh Avenue Hotel on December 6 and January 3. The usual number of Pittsburgh fellows were out to the meetings and a general good time was enjoyed.

A schedule of talks have been scheduled for the monthly meetings during the remainder of the winter, the first one being given by Mr. R. C. Hudson at the January 3 meeting on the subject, "Why Clarkson Should Have an Organized Alumni Association." This talk appears in another part of this issue.

Enthusiasm and interest is very keen for the Alumni Get-Together

Meeting next June at Potsdam. The Pittsburgh crowd have decided to attend 100% and to do all possible to make the meeting and the organization of the Association a success.

#### PITTSBURGH JOTTINGS.

Born, to Mr. and Mrs. F. A. Hatch, on December 21, an eight-pound baby girl named Violet Elaine Hatch. Daddy has grown at least two inches and smokes nothing cheaper than Pall Malls.

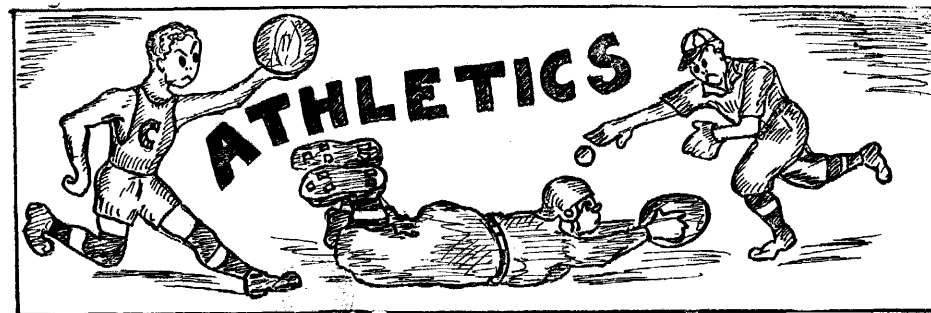

Mr. R. C. Hudson has completed his apprentice course with the Westinghouse Electric and Manufacturing Company and taken up regular work in the Supply Sales department, Insulation Division of the Westinghouse Electric and Manufacturing Company, located for the present at East Pittsburgh, Pa.

#### CLARKSON ALUMNI FORM NORTH COUNTRY BRANCH

An organization to be known as the Northern New York Branch of the Clarkson Alumni Association was formed at a banquet and smoker held at the Black River Valley Club in Watertown recently. George Stebbins was elected chairman and Fred E. Ladd secretary of the branch. J. P. Lynch and Mr. Stebbins were delegated to represent the local organization at the annual meeting of the association to be held at the Hotel Brevoert in New York January 24th.

This is the first time that the local alumni have met since the banquet was held at the same place in July of last year. All present, including a few from out of town and from out of the state, were very enthusiastic about holding regular monthly dinners and smokers. It was decided to have them on the first Friday evening of each month at the club.

Preparations are being made for a large gathering of alumni at Potsdam during commencement week and the slogan "On to Clarkson, 1920" was adopted.

#### COLGATE VS. CLARKSON

On December 11, Clarkson lost its opening game to Colgate at Hamilton by a score of 43-28. Although Tech lost, the team showed promise and form. The small Colgate floor hindered our team.

Roach was the individual star of the evening, scoring eight baskets, seven of which came in the last half. Captain Wilson played an excellent game while Wells did some good guarding. For Colgate, the Anderson brothers and West played well. Against a team much larger than themselves, and on a smaller court than she had been used to, Tech made a very creditable showing, as there were times in the second half when we had Colgate guessing.

#### CLARKSON VS. STATE TEACHERS COLLEGE

Clarkson won the second game of its down-state trip from the Teachers College at Albany, 24 to 16. Clarkson outplayed the State College throughout. The Albany "Argus" says: "Clarkson Tech displayed a brand of passwork rarely seen. The passwork of the winners was excellent and at times bewildered the wearers of the purple and gold."

Clarkson started scoring with a rush and kept it up throughout the game. Here every man played a good game. In the last half Albany made some substitutions which evened matters up somewhat, but Tech had too large a lead to be overcome.
