

Klondike To Be Carnival Theme

The Klondike with memories of frontier gold-mining and the roaring nineties will come to life again at the sixth annual Winter Carnival on February 15, 16 and 17.

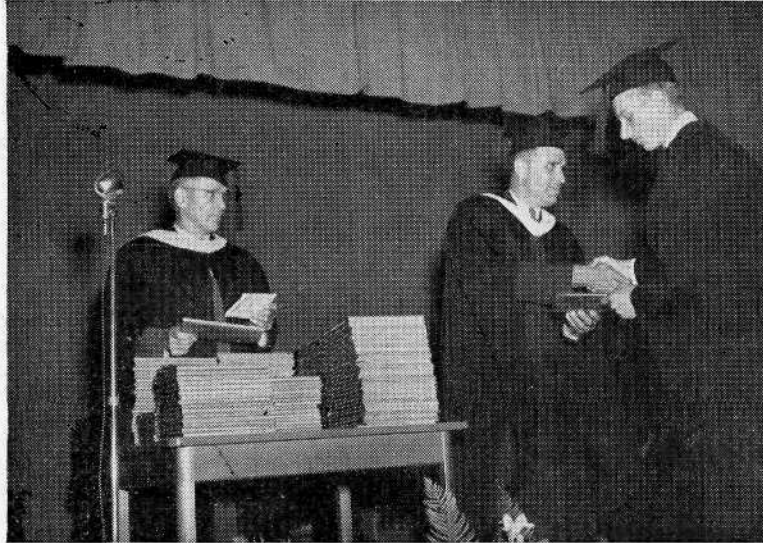

The Outing Club has planned another weekend of entertainment for students and alumni. The annual alumni home coming will again be featured. Alumni will register in the Student Lounge all Saturday afternoon. The annual alumni meeting will be in charge of President Dorothy Bartlett, Carter, in Madill Hall.

Before the meeting the Klondike Karnival on ice will be held in St. Lawrence University's Appleton Arena from 6 until 9. On the program will be speed races between A. T. I. students, a student hockey game, a broom hockey game and an exhibition of fancy skating by talented figure skaters. The highlight of the program will be the crowning of the Winter Carnival king and queen.

After the meeting the Carnival sock dance will be held until 1:00.

The sports fans will not want to miss the basketball game and the intercollegiate ski-meet. The traditional basketball game with Potsdam State will start at 8:15 in Madill Hall on the fifteenth. At their first game this season on December 1 Canton held the lead all the way until the fourth quarter when Potsdam put on a scoring spree to win 76-72. The Aggies are anxious to vindicate themselves.

Another sports event will be the inter-collegiate ski meet held at St. Lawrence University's Snow Bowl in South Colton Saturday and Sunday. Cross country will be Saturday morning, giant slalom Saturday afternoon and jumping Sunday morning. Twelve teams are entered in the meet—Brooklyn Tech., Carleton College of Ottawa, Champlain College, Clarkson College, Cortland State, Brockport State, Oswego State, Harpur College, St. Lawrence "B", Paul Smiths and Utica Tech.

The class of '51 was the first to receive the Associate in Applied Science degrees since the Institute became part of the State University of New York. Director French hands a diploma to Robert Boula '51, a graduate in agriculture.

Institute on the Air Syracuse-Schenectady Area Alumni to Meet

Alumni in the Ogdensburg area can hear programs broadcast by A.T.I. on WSLB on alternate Tuesdays from 1:30 to 1:45 p. m. They are part of a series done in cooperation with St. Lawrence University and the radio workshop of KSLU.

Some dates of future programs to be put on by students and faculty are:

February 5—A.T.I. Outing Club and the Winter Carnival program.

February 19—A dramatic program by the Business Technology Department.

March 4—Home Economics Department program.

March 18—"Modern Poultry Practices", Evan Dana and William T. Long.

BASKETBALL SCHEDULE

February 8	Morrisville	Away
February 9	Utica Tech	Away
February 15	Potsdam State	Home
February 21	Paul Smiths	Away
February 28	Paul Smiths	Away
February 29	Delhi	Home

Alumni living in the Syracuse and Schenectady areas will have a chance to get acquainted with other Institute alumni soon. Dinner meetings to organize State Institute Alumni chapters will get underway after the first of the year.

A dinner meeting on February 9 at the Van Curler Hotel in Schenectady will be the first event in that area. A committee representing all of the Institutes planned this under the chairmanship of James Deering '49. You should all receive notices soon. If not, write or call Jim at 522 Clarendon Street, Schenectady 8.

Another A.T.I. alumni, Joyce Fellows '49, was chosen secretary of the Syracuse planning committee. The Syracuse dinner will be March 15 in the Hotel Onondaga. Notices will be sent out after the first of the year. You can call Joyce at 315 Liberty Street, Syracuse—Syracuse 2-3780.

You are urged to come on and make these meetings successful.

Six Scholarships To Be Offered

A total of six working scholarships for students in the Agricultural Department will be offered by the Institute beginning September 1952. Four of the scholarships will be offered in 1952-53 and two in 1953-54.

These scholarships will provide room and board for the entire two years. The recipients will work from 15-20 clock hours a week at the Institute farm, the poultry house, the dairy manufacturing laboratory, or the soils laboratory. One student will be assigned to each of these units. In 1953 one or each will be assigned to the farm and poultry house. The scholarships will be awarded by a committee from the Agricultural Department before August 15.

To be eligible a student must meet the following requirements:

1. A resident of New York State, preferably the seven county Northern area, and a graduate from a secondary school of recognized standing.
2. Financial need.
3. Intention to enter the agricultural field for which they are being trained; i.e., dairy farming, poultry farming, general farming, dairy manufacture or some closely allied field.
4. Scholastic ability to complete the Institute's graduation requirements.
5. A desire to work and an interest in securing education beyond high school.

Application forms may be secured by writing to Glenn Wright, registrar.

Officers of the Alumni Association for 1951-52

President, Dorothy Bartlett Carter (Mrs. Ray) '45.

First Vice-President, Wesley Rose '50.

2nd Vice-President, Gene Lupia '48.

Secretary - Treasurer, Edith Westaway '32.
