

Homecoming 72

'As Time Goes On'

...And more royalty as Professor MacArthur christens one of his fellow balloon-travellers with a bottle of champagne. Vicki Hinkston is now officially Dutchess of Geneseo, as she was the first girl ever to land in Geneseo in a balloon.

This is Bob Tegart, winner of the contest for the 1972 Homecoming Person. Tegart decisively defeated all opponents, including two other males, for what was formerly Homecoming Queen. Photo... Vic Cherubini

The Homecoming Person and his court are a bit of a change from the traditional Homecoming Queen of years gone by. Pictured above are the four people who received the largest number of votes for Homecoming Person, (from left to right) Cyril Polansky, Diane Czop, Bob Tegart, and Nancy Discavage. All four accepted their bouquets graciously. Photo... Vic Cherubini
