

## activities

Activities Commission is made up of nine council chairmen from each of the councils who meet each week to coordinate the programming of campus activities.

This year the commission has a budget of \$117,000.00, obtained through the collection of the student activities fees. With this money, we try to present a variety of entertainment with the idea of making Geneseo a favorable experience.

Work has already begun on Homecoming Weekend which will take place September 21-23. This year we have adopted the carnival theme, and will present, among other things, a 3-ring circus, parade, concert, dances, and of course, a carnival!

We are also initiating theme programming for other weekends throughout the year. Watch for Welcome Week, The Olympiad, Human Liberation Week, International Week, and a Media Weekend, along with regular programming.

If your interests lie within the scope of any of the councils, watch for their meeting times which will be announced soon after your arrival in August. Membership is open to anyone who expresses an interest.

Have a good summer and we'll see you soon!

Activities Commission

"Number, please!" Just how many fully-grown college students can be fit into a telephone booth. The answer was determined during last year's Homecoming Weekend. There's no booth-stuffing this year, but plenty more action, including a sky-diving exhibition.

# HOMECOMING 1973

Have you ever been to a real three-ring circus? If you have, you know how much fun they are, and if not, you'll soon have your chance. Homecoming '73 will feature the Hanneford Circus on Sunday, September 23, with two performances. Starting Friday, we will be having a carnival with games, cotton candy, and rides. This will continue through Saturday.

Also on Friday, there will be an alumni/student/faculty semi-formal. For those who don't like getting dressed up, don your jeans and go to the rock dance to be held in the College Union Ballroom.

We are trying to get some entertainment for late Friday night for those who want to get the most out of the weekend.

On Saturday, first will be the freshmen vs. alumni soccer game at 11:00, followed by the traditional parade. There will be dorm and Greek floats, area high school bands, alumni, city and college officials and some form of student participation, whether it be the kazoo band or parading in animal or clown costumes.

At 1:00, our varsity tennis team will take on R.I.T. and at 2:00 St. John Fisher will meet our varsity soccer team, both at home.

At night there will be a fine arts performance, "What the Butler Saw." Also, we will have a concert and are getting "Poco"; a concert that will be well worth attending.

Other tentative plans are a Chicken-Bar-B-Que or clam bake, a singing pig (If you don't believe me ask Tom Matthews!), an alumni-student beer tent, a "dunking" booth, movies, and

coffee house entertainment.

For all this to happen I still need many more people to help. Anyone interested in working should call me right away this fall! If you want to be an active student on campus, this is the place to start!

I'm sure you will all enjoy this weekend. Don't miss a thing!

Ellen Christy, Homecoming '73

COCO THE CLOWN will appear with the Hanneford Circus during Homecoming this year.

## Recreation Council Needs You!

Recreation Council would like to welcome you and wish you the best of luck here at Geneseo. Our council is just one part of Activities Commission which plans most of the campus activities for the entire school year. Without the commission, there would be no concerts, movies, coffee-house, dances, or many of the other array of activities. In other words nothing to do but drink at the Rathskeller. (which can get boring after a while!) That is why we need your help. Get

involved! Join an organization and make sure there are things to do every weekend.

Rec Council (as it is affectionately called by its members) had a full program this year, and is planning a bigger one for next year. Among this year's activities were overnight horseback riding trips, a balloonist on Homecoming Weekend, Kampus Kapers (old craze contests of the past), the state and local pinball tournament, a pocket billiard tournament and demonstration,

Spring Fever Follies, and an Olde Western Casino Night.

For the future, besides regular tournaments, we have planned picnics, a circus, Donkey Basketball, an Olympiad, Roller Derby, plus our regular programming activities. But to assure their success, we need warm bodies (which means YOU!)

If our program sounds good, and you want to get involved, have some fun. Join Recreation Council.  
Laurie Marten  
Chairperson Recreation Council

The Recreation Room (downstairs in the College Union) was kept busy throughout the last year with tournament after tournament designed for those whose taste runs to pinball games, ping-pong, pool and football.
