From Ellsberg to Womans' Lib

Contemporary Forum is an organization that provides a variety of speakers and demonstrations on various subjects of interest to the student body. In the past, Contemporary Forum has presented Daniel Ellsberg, who spoke on the Pentagon Papers, a Women's Liberation debate, a play by the American Revolutionary Road Company,

and other notable presentations. Contemporary Forum is an ideal organization to participate in for it requires a minimal of time and offers an opportunity to meet outstanding people.

We hope to have the opportunity to have you working with our council in the fall. See your then.

ROCK CONCERTS, DANCES, CONTESTS, ENTERTAINMENT

Social Council Sponsors all Social Events!

Welcome to Social Council! We are a part of Activities Commission and coordinate the campus' major weekends, such as Homecoming, our BIGGEST! Since Homecoming is soon after school opens, we need lots of help right away. We also have riotous

meetings, lots of parties, and fun in general. Social Council sponsors rock concerts, dances, sock hops, and entertainment as long as our budget holds out. Since we are funded by students, why not have a say in how your money is spent. Last year, we sponsored a

male Homecoming Queen(?), brought Godspell which outsold the seating capacity of the gym, had a sock hop at 2 a.m., and coordinated Kampus Kapers with Recreation Council. Give a little or a lot of time. (We'll take anything.) Get involved and enjoy campus life!

LIMELIGHT

LIMELIGHT:
--is a crew of eager, enthusiastic students interested in bringing "Lincoln Center" to Geneseo.

--has previously, as Council on the Arts, brought to campus Marcel Marceau, "Hair", the Rochester Philharmonic, Carlos Montoya, the Ballet Repertory Company, and many other excellent programs.

--next year is planning to bring "Grease", "Two Gentlemen of Verona", the International Choral Festival, the Paul Winter Consort, and William Windom as Thurber, as well as many other varied events.

--involves the five student music organizations--Carol Choristers, Concert Band and Wind Ensemble, Chamber Orchestra, Chamber Singers, and the Student Music Association--in providing a balanced musical program to the campus and community.

--provides season tickets to these events at reduced rates, if you buy before the first event. (look for more information of LIMELIGHT'S series--it's available!)

--wants to bring art exhibits to campus and to work with talented student artists to exhibit one-man shows.

--has an experienced chairman by the name of Jim Scott. He'll be living in Onondaga in the fall and will be glad to talk with you.

--needs good workers. If your major is not one of the fine arts--great! All the more time for us.

Harry Chapin drove his "Taxi" into Geneseo State's College Union Ballroom. He was just one of many top performers who appeared last year on campus.

Concert Council

May I take this opportunity to extend a warm welcome to all the new students here at Geneseo from the members of Concert Council. This year we expect to have an extremely good program of concerts for the students of Geneseo but we need your help. All our concerts will be held in the new gymnasium which is a lot larger than the old gym where we held the concerts last year. Because of this we will need more

students to help on the council. Anyone that has an interest in music and would like to help, please get in touch with me as soon as possible so that we can discuss your membership in Concert Council. Our office is in the Activities Commission Office, room 306 in the College Union so feel free to drop by. Remember, if your interests lie in the field of music, Concert Council can use you. Enjoy the rest of the summer.
