Dear
Elisa, Lena, Nikki, Sue, Laurie & Phyll,
Have a great semester guys! Think of me on the weekends when they play "Call it Love", "So Far So Good", "A Bottle of Red, a Bottle of White" and "Only the Good Die Young". I love you guys and miss you already! Write soon! Love always, Gee

Mother Goose- What's been up with you lately, I feel like our friendship has crashed and burned, I hope not. I know things can't be what they were, but I guess I wasn't expecting this. I know you're busy, but I do miss you. - Charlie

Dear Dave Barbado and the Dark Horse Staff,
I hope this semester is great for everyone- I'll miss you. See you all in January! Love, Jeanie

Dear C.
I remember: parks at night with Many mosquitos, hotel lobbies at 4:00 am., soggy room service and "diet coke", card games with strangers, and you...remember me??
