

THE
CITY ISLAND DRIFT.

Saturday, February 17 1894

We have heard that Mr J. Ahmuty is going to establish a long distance telephone with headquarters at Jordans Hotel. The Island needs this improvement as it is very convenient at unexpected times.

Mr Harry T. Booth and family of Elizabeth N.J. are paying a short visit to friends and relations on the Island. Harry is too well known to need further introduction.

ORRIN F. FORDHAM.

Mason and Plasterer.

Material constantly on hand for

PROMPT JOBBING

WEST ORCHARD ST. CITY ISLAND

Notices are up calling for an election, on February 24th, of a Fire Commissioner for the term of three years. Mr Herbert Hegeman is the popular candidate.
