Chappaqua DAR Hears Talk on Group's Museum

CHAPPAQUA—

Mrs. James Whitford Jr., New York State Chairman of the Daughters of the American Revolution Museum Committee described the museum's treasures to members of the Chappaqua Chapter of the DAR following a luncheon meeting held Nov. 13 at the home of Mrs. Robert Felegara of Florence Drive.

Using slides to illustrate her talk, Mrs. Whitford discussed the museum's increasing store of historical treasures as rare antiques continue to be donated, especially by DAR members. Authenticated articles predating the year 1830 and a notable collection of genealogical records — the third largest in the country — make the museum a rich storehouse of information about a country's early history. The only articles in the museum made after the 1830 date are small items that once belonged to wives or official hostesses of U. S. presidents.

Reports were made by Mrs. Arthur A. Merrill, corresponding secretary; Mrs. John B. Carroll librarian; Mrs. Clifford V. Fisher, membership chairman; Mrs. William Weber for national defense and Mrs. John W. Whittlesey, resolutions chairman.

In line with the Chappaqua Chapter's interest in local activities the membership voted to give an American flag and staff to Girl Scout Troop 225. The troop's leaders are Mrs. Paul R. Grehl and Mrs. Warren Evans. The three Patrol Leaders of Girl Scout Troop 225 are Ellen McBride, Sunny Wright and Dana Volkhardt.

Showing its continuing interest in historic restorations a donation was voted to The Washington Headquarters Association for the benefit of the Roger Morris-Jamel Mansion, one of the most famous and beautiful old historic houses in the nation built in 1765

Chappaqua DAR Chapter Urges National Resolutions Rule Change

CHAPPAQUA—

The Chappaqua chapter of the Daughters of the American Revolution intends to continue its fight to "democratize" the methods of the national society's resolutions committee.

At present, a self-perpetuating resolutions committee presents to the annual Continental Congress of the DAR, held every April in Washington, D.C., a set of resolutions on national and international affairs which represent solely the analysis, evaluation and judgment of members of the committee.

Mrs. Dennis Kent, regent of the Chappaqua chapter, last April presented on the floor a resolution that "the national society restore to the membership their rights of self-expression through their representatives with respect to their society's policies" by submitting the annual group of resolutions to each chapter for its consideration, but before presenting them at the annual meeting. The resolution, presented on the convention floor only after a three-day struggle to be heard, was overwhelmingly rejected.

Asks Policy Change The resolution entitled "Policy Change on Resolutions NSDAR" was reaffirmed Nov. 13 by members of the Chappaqua chap-

ter at a meeting held at the home of Mrs. Robert A. Felegara of Florence Drive. With 20 members present, two voted against the resolution. Absentee ballots are being mailed to all members not present to give each an opportunity to vote. It was also moved and adopted

Committee Members For Ball Listed

CHAPPAQUA—

Mrs. Thomas M. Graham of Bedford Road, and Mrs. Victor Ziminsky Jr. of Harriman Drive, Mount Kisco have been appointed as committee members of the St. Vincent Dances and the St. Vincent Debutante Ball by the general chairman, Mrs. Carlton M. Fishel of Harrison. Mrs. Graham will assist at the post-debutante Christmas dance and Mrs. Ziminsky will serve on the junior committee.

The series of five dances will benefit St. Vincent's Hospital in Harrison which for more than 80 years has been devoted exclusively to the treatment and rehabilitation of psychiatric patients.

that this resolution be sent to Mrs. Robert V. H. Duncan, president general, NSDAR, and the National Board of Management as well as to the national resolutions committee.

Mrs. Kent voiced the chapter's concern over the present "one committee rule" of the National Society, and declared that the resolution's return to the National Society for further consideration is the chapter's "only means of fighting this evil."

The chapter also reaffirmed the resolution adopted last year charging its regent and delegate to abstain from voting on all resolutions which had not first been submitted to each chapter for consideration.

On these grounds, the regent and delegate of the Chappaqua chapter also abstained from voting in October at the New York State DAR meeting held at Lake Placid.

At the Nov. 13 meeting, a delegate and three alternates were elected to attend the 72nd Continental Congress to be held in Washington, D.C. April 15-19, 1963. Mrs. Douglas Bishop was elected delegate. Alternates chosen were Mrs. Alton M. Gerlach, Mrs. Arthur A. Merrill and Mrs. John W. Whittlesey.
