FOR SALE AT AUCTION,

By Gilbert Forbes, at the Exchange,

On WEDNESDAY, the 5th of June next, at the Exchange, at 12 o'clock,

THAT beautiful COPPER-FASTENED SLOOP, called the Sally, 82 Measure, about nine years old—the situation will render it a most pleasant retirement from the business for a family. The sloop is large and convenient, which, with its coach house, stable, and other conveniences, renders it a desirable object for a gentleman, and situated with the two lots of ground adjoining, as well as with a variety of the best vegetables for the season before it, being delightfully rural, and pleasantly embellished with a handsome pale board fence—the chance on this, and contrast in the situation, will be found worthy Notice—if such good society, and an academy of high reputation for youth, are objects worthy attending to.

The situation is so well known to need a further description, as it is but a few miles from the city, and the conveyance to and fro is so frequent.

Conditions of sale, if not previously disposed of, will be made known on the day of sale, or by personal application to GEORGE SCHIBA.

N.B. The sale of the above property is postponed until Wednesday, the 5th of June next. may 27
