

Herkimer Democrat. HERKIMER, N. Y. Wednesday, April 22, 1891.

SOMETHING ABOUT DOCTORS.

There is considerable talk about "medical ethics." It is twisted around the question whether physicians should interview for publication on the medical features of public questions...

A while back, one set of medical practitioners arrogantly claimed to be the only physicians there were. Law stepped in and recognized facts, facts showing that there were allopathic, homeopathic and eclectic physicians duly organized...

It is estimated that it will take all the gold and silver produced in the world for four years to pay the appropriations of the Fifty-first congress, which aggregate a billion dollars.
