FOR FORTY YEARS

IRVING SNELL has been selling pianos to the people of Herkimer Co., and Central New York, and has placed them in thousands of homes all along the line from Albany to Syracuse, and all customers are delighted with our easy terms and low prices, as they know that in case of sickness or being out of work, we do not insist on their paying, but making due allowance for same. Though we do not claim to sell all the pianos in this section, we get our share, and sold four last week, being one to S. O. West of Dolgeville, also to Mrs. Chas. Bauder and Mrs. Frank Gage of Cedarville and C. H. Silliman of Mohawk, and this is about our usual number each week. We have a large stock for the Holidays and anyone who wishes may select a piano or organ now, and have it set aside till Christmas. \$2.50 SENT FREE.

The Well-Known Specialist, Franklin Miles, M. D., LL. B. Will Send His Book and \$2.50 Worth of his Personal Treatment Free to any Reader.

These never was a better opportunity for persons suffering from diseases of the heart, nerves, liver, stomach and kidneys to test free, a remarkably successful treatment for these disorders. Dr. Miles is known to be a leading specialist in these diseases and his liberal offer is certainly worthy of serious consideration by every afflicted reader. This opportunity may never occur again.
 His system of Personal Treatment is thoroughly scientific and immensely superior to other methods. It includes several new remedies carefully selected to suit each individual case and is the final result of twenty five years of very extensive research and great success in treating these diseases.

Each treatment consists of a curative elixir, tonic tablets, eliminating pills and usually a plaster. Extensive statistics clearly demonstrate that Dr. Miles' Personal Treatment is at least 100 times as successful as the usual treatment of physicians or general remedies sold at the stores.

Col. E. B. Spillman of the 9th United States Regulars, located at San Diego, Cal., says, "Dr. Miles' special Treatment has worked wonders in my son's case when all else failed. I had employed the best medical talent and had a doubtful specialist. I consider it my duty to recommend him." "For years I had severe trouble with my stomach, head neuralgia, dizziness, and dropsy. Your treatment entirely cured me."

Mr. Julius Kistner, of 320 Michigan Avenue, Chicago, writes that Dr. Miles cured him after ten able physicians had failed. Mrs. R. Timmer of "Reinspring, Pa." was cured after many physicians had pronounced her case "hopeless."
 As all afflicted readers may have his Book and \$2.50 worth of Treatment especially adapted to their case FREE we would advise them to send for it before it is too late. Address, DR. FRANKLIN MILES, Dept. G. 242 to 252 Main Street, Elkhart, Indiana.

Our Great January Mark-Down

Sale of Clothing!

BEGINS TUESDAY JANUARY 3, 1905.

Tuesday morning, January 3d, we inaugurate our Annual January Reduction Sale of Clothing. It is our great yearly effort to rid ourselves of all that remains of Fall and Winter stock, and to accomplish this we have cut deep and mercilessly. Every line of masculine wearables will be offered at prices that are by all odds the lowest we have ever quoted.

All Goods Have Been Marked at Prices That will Force Them From Our Stock.

We are not habitual users of "bankrupt sale" and "fire sale" advertisements, but are a legitimate business concern. However, we do firmly believe in turning over our stock at the end of each season, as we are thus enabled to always begin each season with new goods—to both our own and our customers' advantage. Hence, this yearly sale. We stake our reputation on the honesty of this sale and the genuineness of the bargains offered. We absolutely guarantee every thing to be just as advertised.

East Schuyler Grange.

Miss Grace Rose lecturer is confined to her home by sickness.
 J. H. J. Watkins visited, Madison County Pomona Grange last week.
 The mutual telephones lines in this town have been incorporated.
 The installation of officers occurs at the next regular meeting, Jan. 8. Mrs. E. D. Frank will act as installing officer.
 We believe that a majority of the electors in Schuyler are in favor of fall town meetings, but it was a great mistake to have them held in "even" years. In odd years it would not conflict with national or State elections.
 It is expected that Schuyler will be well represented at the annual meeting of Pomona Grange next Saturday.
 Ira Sharp and wife of Lowville who have been attending the meetings of the National Grange at Portland, Oregon, stopped over a day at R. H. Smith's on their return home.
 We noticed that Onondaga County Pomona Grange passed resolutions favoring a parcel post. This is a move in the right direction, but the express companies will fight it to the last ditch.
 The fire insurance conducted by the grange in this county have recently levied an assessment of \$5.00 on a \$1,000. During the last three years this insurance has cost about 35 per cent as much as in the old line companies.
 Last spring we made up our mind that we would produce some early winter eggs or less go out of the hen business. Out of a flock of 50 April hatched chickens we are now getting 20 to 24 eggs per day. With the care they have had it seems as if they might do better, but with the present prices they are paying a good dividend on the present production.
