When dead as soon forgotten as a dead horse, only to be remembered with disgust and horror even by his own offspring.

On this I resumed his seat. Now, says I, look at this horrid spectacle—lay your hand on your heart and tell me, as if under the solemnity of an oath, which of these objects do you most respect—the man, or his faithful dog?

BOOK OF JASHER, An account was, some months since, given in the papers, of a discovery of the Book of Jasher. We have no where seen so full an account of the circumstances connected with the discovery...

COFFEE, Now that I am speaking of berries it may be useful to say a few words respecting coffee. No individual who continually uses coffee can be subject to putrid fevers, and in the east of Europe it is considered as the only proper beverage for the cure of the plague.

HE was driving a two horse wagon; on asking him if he would take a passenger to Peru—I paused two minutes, looking him intently in the eye, while he was urging me to mount—my gaze was so marked, and making no reply, it could not escape my notice.

It was in the month of February, 1829, that I gave my wife a box of coffee, and she had it made. I was in a hurry to get it, and she had it made. I was in a hurry to get it, and she had it made.
