BY READING THE FOLLOWING AFFIDAVIT—the Public will learn the origin, or rather where the recipe for making the stuff they call Old Dr. Jacob Townsend's Sarsaparilla, came from—and will be able to judge which is the genuine and original, and of the honesty of the men who are employed in selling it as the original Dr. Townsend's Sarsaparilla. Dr. S. P. Townsend was the original proprietor and inventor of Dr. Townsend's Sarsaparilla, and his medicine has gained a reputation that no other remedy ever gained. He manufactured over one million of bottles last year, and is manufacturing at present 6,000 bottles per day. We use more Sarsaparilla and Yellow Dock in our establishment each day, than all the other Sarsaparilla Manufacturers in the world. Principal Office, 523 Nassau-street.

City and County of New-York, ss.

William Armstrong, of the said City, being duly sworn, doth depose and say that he is a practical Druggist and Chemist. That some time in the latter part of May, or first of June, 1848, a man by the name of Jacob Townsend, who at that time was a book and pamphlet peddler, called upon deponent, at the house of Mr. Thompson, No. 42 Hudson street, where deponent boarded, and requested deponent to write him a recipe by which to make a Syrup of Sarsaparilla. Deponent further says, that he became acquainted with said Townsend at the office of Theodore Foster, Esq., Book Publisher, with whom said Townsend dealt. That said Townsend had had frequent conversations with deponent respecting the manufacture of an article of Sarsaparilla to be sold under the name of Dr. Jacob Townsend.

That said Townsend stated he was an old man, and poor, and was not fit for hard labor—and wished to make some money, in order to live easy in his old days, and that, if Sarsaparilla under the name of Townsend sold so well, and so much money was made by it, he could see no reason why he might not make something out of it too, (his name being Townsend,) if he could get a capable person to prepare a recipe, and manufacture it for him. Deponent in one of the conversations asked said Townsend if he was related to Dr. S. P. Townsend, to which he replied, that he knew Dr. S. P. Townsend would be down on him after he should commence. But that he did not care for him, as he had formed a co-partnership with men who could furnish the requisite amount of capital—and was well prepared to defend himself against any attack that might be made on him.

Deponent further says, that pursuant to the request of said Jacob Townsend, he wrote a recipe for the manufacture of a Syrup of Sarsaparilla, and gave it to him. Said Townsend observed that he wanted to make a specimen to exhibit to his partners for their approval, as he wished to gratify them in every thing, as they furnished all the capital—said Townsend also told deponent that the bottles they were to use were to be of the same size and shape as Dr. S. P. Townsend's, and deponent, at the request of said Jacob Townsend, went to the office of Dr. S. P. Townsend, and procured one of his labels.

And deponent further says, that he has been informed, and verily believes the Syrup of Sarsaparilla, sold as Old Jacob Townsend's, is made after the recipe furnished by deponent, to Jacob Townsend, as aforesaid.

And further deponent saith not.

WILLIAM ARMSTRONG.

Mayor of the City of New York.

PROOF!! PROOF!!!

Here is proof conclusive that Dr. S. P. Townsend's Sarsaparilla is the original. The following is from some of the most respectable papers in this State.

FROM THE

Albany Evening Journal.

Dr. Townsend's Sarsaparilla.

There probably never has been so popular a remedy, or patent medicine, as Dr. Townsends's Sarsaparilla, which was originally, and continues to be manufactured in this city, at first by the Doctor himself, and afterwards for several years and to the present time, by Clapp & Townsend, the present proprietors. Since the partnership was formed, the Doctor has resided in New York, where he keeps a store, and attends to the business that accumulates at that point. The manufactory is in this city, and is conducted by the junior partner, Mr. Clapp—here all the medicine is manufactured.

Few of our citizens have any idea of the amount of this medicine that is manufactured and sold. Besides the sales in this country, it is shipped to the Canadas, West India Islands, South America, and even to Europe, in considerable quantities. At the manufactory they employ a steam engine, besides a large number of men, women and girls, in the preparation of the medicine, making boxes, printing, &c., and turn out, ready for shipment, over 400 dozen per day, or nearly 5000 bottles. This is an enormous quantity.

The great sale the medicine has acquired, has induced a number of men to get up imitations, and there is at the present time, other medicines for sale, that are called "Dr. Townsend's Sarsaparilla." One in particular started a short time ago in New York, is called "Old Doctor Jacob Townsend's Sarsaparilla," and apparently with a view, by dint of advertising, and the usual remedies resorted to in such efforts, to appropriate the name of Dr. S. P. Townsend's great remedy, and thus gain all the advantages resulting from the popularity of the name which he has acquired for it, by years of patient and expensive labors. Dr. S. P. Townsend, formerly of this city, as is well known here, is the inventor and original proprietor of the medicine known as "Dr. Townsend's Sarsaparilla," and we think these persons who are attempting to sell their article as the genuine, should be exposed.

FROM THE

New York Daily Sun.

DR. TOWNSEND'S extraordinary advertisement, which occupies an entire page of the SUN, will not escape notice. Dr. S. P. Townsend, who is the original proprietor of Dr. Townsend's Sarsaparilla, and whose office is next door to ours, whore he has been for several years, is driving an immense business. He receives no less than four hundred dozen of Sarsaparilla per day, and even this enormous quantity does not supply the demand. No medicine ever gained so great a popularity as his preparation of the Sarsaparilla. His edition of Almanacs for 1849 cost $22,000, and he has paid the New York SUN for advertising, in the last four years, over $10,000, and he acknowledges that it is the cheapest advertising he has had done. This medicine is exported to the Canadas, West Indies, South America and Europe, in considerable quantities, and is coming into general use in these countries as well as here

Swindlers.

Druggists and others that sell Sarsaparilla for the genuine and original Dr. Townsend's Sarsaparilla, that is not signed by S. P. Townsend, commits a fraud, and swindles the customers. Men that would be guilty of such an act, would commit any other fraud—and no Druggist of common intelligence but knows that ours is the only genuine

THE QUESTION SETTLED.

An advertisement appeared in several of the papers, headed "The Question settled." This advertisement is signed by a number of men who keep small retail drug shops in the back streets of the city. The advertisement was put in by a lot of unprincipled men under the name of Thompson, Skillman & Co., who hired an old man by the name of Jacob Townsend, last fall, to put up a stuff which they endeavor to palm off upon the public as the genuine and original Dr. Townsend's Sarsaparilla. This old man has been engaged for a number of years in peddling cheap publications about the streets of the city. Skillman & Co., have avowed that it was their intention to take advantage of Dr. S. P. Townsend's extensive advertising, which has cost him $300,000, and the popularity of the name of his medicine, to sell theirs. The advertisement signed by these shopkeepers, and put in the papers by Thompson, Skillman & Co., would lead people to believe that our Sarsaparilla sours, &c., which is false. These men have not, to our knowledge ever purchased any Sarsaparilla of us, and know nothing of its merits, very few of them being able to spare a sufficient amount of money to purchase a dozen. The majority of them have applied to us for agency, which we refused. At least one of these men has been in the

State Prison,

for forging a draft or note on the Chemical Bank; we know nothing of the character of the others—but if they sell any Sarsaparilla for the original and genuine Dr. Townsend's Sarsaparilla which is not signed by S. P. Townsend, they would commit any fraud.

WHOLESALE DRUGGISTS.

Below will be found the cards of three of the first wholesale druggists in the city. These three have purchased $50,000 worth of Dr. S. P. Townsend within the last four years. We have sold it by the hundred dozen to many others—we keep it through all seasons in South America, New Orleans, Havana, &c., and these charges that our Sarsaparilla sours and foments is as foul as their other libels.

Read the following:

NEW YORK, May 21, 1849.

This is to certify that our house has within the last five years purchased over twenty-five thousand dollars worth of Dr. S. P. Townsend's Sarsaparilla. It is an article that commands an unprecedented sale, and as far as we know, gives universal satisfaction. It does not foment and break the bottles as has been alleged.

To whom it may concern: This is to certify that I have purchased of Dr. S. P. Townsend about ten thousand dollars worth of his Sarsaparilla. It is by far the most popular medicine I ever knew and gives universal satisfaction. I have no difficulty with its fomenting or souring.
