

Stiff Joints and Pains? MUSTEROLE Quickly Relieves

Keep a jar in the house. It is the premier remedy for Backache, Stiff Joints or Muscles, Rheumatic Pains, etc. MUSTEROLE is a clean, white ointment made with oil of mustard. It penetrates to the seat of pain and drives it away, but does not blister the tenderest skin. It takes the place of the mussy, old-fashioned mustard plaster.

Lumbago, Neuralgia, Sprains, Bruises, Stiff Neck, Headache and Colds of the Chest (It prevents Pneumonia). At your druggist's—in 25c and 50c jars and a special large hospital size for \$2.50. Accept no substitute. If your druggist cannot supply you, send 25c or 50c to the MUSTEROLE Company, Cleveland, Ohio, and we will mail you a jar, postage prepaid. F. R. L. Secord, 18 W. 128th St., New York City.

MUSTEROLE is recommended for Bronchitis, Croup, Asthma, Pleurisy, etc. says: "Please send me for office use, a good size jar of Musterole as I find it most beneficial for application on patients." (63)

IN ONE YEAR RULE PROF. YOUNG SEES BENEFIT TO SPORT

Suggestion Made Before National Collegiate Association to Stop Proselyting Among the Athletes of the Colleges and Universities.

Professor C. V. P. Young of the Department of Physical Culture at Cornell University, took an active part in the discussions regarding college athletics in a conference of college sport directors in New York City during the week. The privileges of amateur athletes were further restricted last night when the National Collegiate Association adopted a resolution prohibiting colleges and universities allowing students who have received money for playing any game from competing in intercollegiate games.

CORNELLIANS COMPETE AT ROCHESTER CONTEST

Students of the Department of Agriculture to Take Part in State Society Event

Many Cornellians will be present at the annual meeting of the New York State Horticultural Society in Convention Hall, Rochester, on January 6, 7 and 8. The Agricultural College is sending students to Rochester to judge the many and varied exhibits which will be shown there by the horticulturists of the state.

This hospital has been built by the people. It is true some fortunate individuals have contributed more liberally than the many. To them should be the satisfaction that they were in a position to do so. Yet it is the people who gave their mite, their voice, their good wishes that made it possible.

It is of interest to Ithacans to note that A. B. Dann of Ithaca is on the staff which was won last year by an Ithacan. The men who will take part in the order of their speeches are: B. V. Shaper, Herkimer, 14; A. B. Dann, Ithaca, 15; R. F. Steve, Pittsford, Special; A. W. Wilson, East Orange, N. J., 15; R. C. Parker, Spencerport, Special; D. S. Hatch, Alternate, 15.

PROFESSORSHIP FOR DR. M. S. MACDONALD

Dr. Murdoch Stuart MacDonald of Whycconagh, Nova Scotia, Canada, who took the degree of Doctor of Philosophy at Cornell in 1904, has just been elected professor of economics and political science at Gettysburg University, Harrisburg, Pennsylvania. Henry Robinson Shepherd of Harvard at the same time was elected to succeed Dr. John Andrew Hines, for 43 years Graeff professor of English literature, who resigned because of age.

Matrimony. George Ade, discussing matrimony in an after-dinner speech at the Chicago Athletic Club, said: "Marriage has the effect of giving a man a swelled head. "Many a time, looking at this husband or that, I say to myself: "Ah, if that man were only as wise as he thinks his wife thinks he is!" —Chicago Record-Herald.

NEW HOSPITAL FINE MONUMENT

(Continued from third page.) aca, Knights of Pythias, Women's Clubs, Children's Ward, by a friend of children.

You readily perceive the effective and well directed efforts the Ladies' Committee has performed. Other Gifts. Morse Chain Company presented an adjacent lot with a small dwelling house. William H. Sage of Albany, formerly a resident of Ithaca, added to his gift of \$12,000 towards endowment, made available upon the Hospital's receiving munificent bequest from the late Edward M. Marshall, the further sum of \$3,000 which provided for moving another dwelling, purchased with the original site, and the combination of the two into an adequate nurses' home.

Grateful to Merchants. The committee is indebted to our Ithaca merchants who have furnished the supplies for the Hospital at practically cost and in many instances they have donated the entire bill. Bush & Dean, The Todd Company, Julius Clapp, The Bool Company, Freeman, King & Company, and Barr Brothers.

The barrel fund, the lawn fete and card parties that netted the handsome sum of \$2,906.90, those various committees are to be congratulated for their excellent work. The recent successful ball given by the young women of Ithaca, Miss Norma Bement, chairman, that netted such a substantial sum for the Hospital Room Furnishing, is appreciated. We must not forget the benefit of the help given by the entire clergy, by our former Mayor Horton, Mr. E. T. Turner, George L. Cook, who acted as treasurers; Mayor Reamer and A. I. Merrill in installing our laundry; Mrs. James McKinney and Mrs. F. E. Morse in taking care of the linen and bedding. Messrs. Gibb & Waltz, as architects, have devoted no end of time for extra supervision, and what they have accomplished, we wish the public to pass their own judgment on.

Doors Open To All. To all our doors are open, a New Year's Gift to the city, county, and state. No one in need should be denied its use, that to the many in need it shall be a source of usefulness and benefit, is the wish of all on New Year's Day.

There are two women in Ithaca who practically carried the burden of management and finance for years of the Hospital, Miss Jane Hardy and Mrs. D. W. Burdick, who will always be remembered by all. Their devotion to the work and management must be an incentive for others to follow. Both have earned their leave of absence, yet their manifestations are ever felt in donations and good counsel.

At the reception tomorrow, the building will be found but partly furnished, since much equipment must be moved from the Aurora street plant, which is now in active use there. But an opportunity will be afforded to all to see how much has been accomplished by an act of civic co-operation whose magnitude we do not perhaps appreciate for want of a means of measurement. No doubt there will be need for a continuation of this generosity. The wider usefulness which is opening, for the Hospital means of necessity a greater expense, and there is need, first, of the prompt payment of all subscriptions still to become due to the building fund, as of all now due and still unpaid, and second, of a large body of sustaining and contributing members of the Association. But tomorrow's reception is not to be a collecting device, but merely an exhibition of the building which, when presently it shall be occupied, cannot be so freely inspected. All are invited and none should remain away for any financial reason. Gifts or subscriptions would not be refused at any time; but nobody will be asked at that time to give or to subscribe anything whatever. The building committee and the trustees desire that every one shall have full and free opportunity to see how the mandate of the subscribers has been carried out in the erection of the new hospital building.

JOHN MOTT OPENS BIG CONVENTION OF COLLEGE MEN

Kansas City, Dec. 31.—"We are here to further the purpose of this movement to Christianize the entire world and it can be done with your help," said Dr. John R. Mott, of New York City, in opening the quadrennial convention of the Student Volunteer Movement for Foreign Missions here today.

Robert E. Horton of London, known internationally as an expert on missions, and Robert E. Speer of New York, secretary of the Presbyterian Board of Foreign Missions, described the aims of the movement. Special trains brought the students from all parts of the country. At the Union depot 300 boy scouts were stationed to lead the way to street cars and to take the delegates to registration headquarters and thence to the homes at which they will be entertained.

DYNAMITE MEXICAN FEDERAL TROOP TRAIN

Vera Cruz, Mex., Dec. 31.—A federal troop train was blown up with dynamite today 170 miles southeast of Mexico City on the main line of the Inter-oceanic Railway, connecting the federal capital with the coast.

W. C. T. U. LEADERS WANT PROHIBITION AMENDMENT TO THE U. S. CONSTITUTION

An amendment to the U. S. constitution providing for country-wide prohibition is now being sought by the W. C. T. U. The movement is being led by the president and vice president of the society, Mrs. Lillian M. Stevens of Portland, Me., and Miss Anna Gordon. These women have held their present positions with the W. C. T. U. for many years.
