INSULATION

IT'S NEVER TOO LATE TO INSULATE.

Do you really care about saving young lives? Look at your driving habits.

Do you control your notions when driving?

If you really care about saving young lives, look at your driving habits. Do you speed? Do you drive when you don't feel up to it? Do you control your notions when driving?

Add fresh children 3 to 4 years old are killed in water-related accidents than by any of the five most dreaded childhood diseases.

Do you CARE enough to Drive with Care?

It's a credit to America that her generous people give as freely to combat the life of childhood. It's a tragedy that many of those same people permit traffic accidents to kill more children 3 to 4 years old than any of the five most dreaded childhood diseases.

There is a man for this, too—and it doesn't cost a dime. It starts with better driving.

Author: Your family driving is done by young drivers who want to be big boys ... by children who can't set their age... by drivers who are, for the moment, emotionally upset... by people who think traffic laws are made to be broken.

Do you recognize anyone?

Do you care about saving young lives, look at your driving habits. Do you speed? Do you drive when you don't feel up to it? Do you control your notions when driving?
