BASEBALL NOTES

To-morrow the New Rochelle and Mt. Vernon will play at New Rochelle, and the Portchester and Playwax at Portchester.

The Portchester and Playwax played a game on Saturday last, which resulted in the defeat of the Yorkers club by a score of 10 to 4.

The Playwax of Hartsdale and Mount Vernon played a game of last Saturday, and but for the unpleasant termination, would have been scored as one of the best games played on the grounds this season.

The Mt. Vernon went first to the bat and scored a run and then whitewashed the Portchester. The second inning added two more runs to the score of the home club, while the Playwax made another 6.

Thus the game stood until the close of the fifth inning, when by wild throwing by the Mt. Vernon, the visitors scored four runs. At the close of the seventh inning, the Mt. Vernon had failed to score in five and the Playwax in six, and it looked very much as though the Mt. Vernon would follow up their record of defeat. The Playwax are a set of muscular young fellows who play baseball very expertly and with one or two exceptions are good batsmen.

Our boys say that they must play in some place except the Mt. Vernon grounds, in real earnest. In the eighth inning, by some of the most powerful batting we have seen on the field this season and by one over-run, the Mt. Vernon were again defeated. They scored seven runs and were still at the bat when the captain of the Playwax in a punning approach, and by a sacrifice hit, and his club would not finish the game. The umpire accordingly decided the game to be a draw, and the Playwax a score of 9 to 0, and ordered a fee of \$1, against the captain of the Playwax. The Playwax in the score so far as the game went:
