April is a Creachorous Month

You don't need a light weight ever, because a heavy weight won't fall, but a light weight will. A light weight will only fall if it is exposed to the wind. A heavy weight, on the other hand, will not fall if it is exposed to the wind.

HARROWS

We are not in the habit of using 15-tooth lever harrows, Absolutely the best made for only Ten Dollars.

W. S. Lawrence Co.

PILLSBURY FLOUR
