**HITCHCOCK'S  
Newly invented SNUFF,**  
*For the cure and absolute relief of Catarrh, Dizziness of  
the Head, Nervous Headaches, Fullen Stomach, and In-  
fant's troubled with Snuffles.*  
It is an immediate relief.—It is also found highly ben-  
eficial in partial shocks of the Palsy, especially in eld-  
erly people, the fit having often been protracted for years.  
After an experience of more than fourteen years prac-  
tice, I can safely say, that I have met nothing as a sub-  
stitute for it, in the above diseases. Having proved the  
inefficacy of a variety of catarrhal snuff in my own fam-  
ily, I was induced to make a trial for something more  
certain and efficacious in its effects; and was led to the  
discovery of the new invented snuff, which succeeded to  
admiration in my own family, and with numerous others  
who applied to me for relief. I cannot therefore forbear  
offering the public a participation in the benefit derived  
from the use of this snuff; and also numberless certifi-  
cates of its undoubted good effects might be obtained, I  
prefer resting it on its own merits, and the unbiased tri-  
al of a candid public, who may wish for relief in the  
above diseases. Price 25 cents per bottle.

"These things which I command thee this day, shall  
be in thine heart, and thou shalt teach them diligently  
unto thy children."—*Moses.*

Extract of a letter from the Rev. Dr. Nutt, President of  
*Union College*, addressed to the Rev. John Chester:  
"In answer to your request relative to the 'Beauties  
of the Bible' by *Ezra Sweetser*, I have no hesitation in  
declaring, that in my opinion the selection in question has  
been made with great taste and judgment; and that I  
consider this little volume a real acquisition to youth, and  
particularly to schools. It is calculated not only to im-  
prove the taste and mend the heart by its direct influence,  
but also to allure the young mind to a more familiar ac-  
quaintance with the *entire Bible*; that sacred repository  
of whatever is pure in morals or sublime in doctrine.  
"I have only to add, that I am, with sentiments of es-  
teem, your friend,
