DR. SCHENCK'S

MANDRAKE PILLS,

A Substitute for Calomel.

The Mandrake Pills are a concentrated vegetable extract, and have the power to renew the secretions of the liver promptly and thoroughly, as a dose or two of mercury, and both of good cathartics do; but they are without dangerous effects which often follow the use of the latter.

In all bilious disorder Dr. Schenck's Pills may be used with good benefit as they promote the discharge of vitiated bile, and remove those obstructions from the liver and biliary ducts, which are the cause of all dyspeptic affections in general.

SCHENCK'S MANDRAKE PILLS cure Sick Headache, wonderful sometimes, the liver, in a few hours, by a yellow skin, coated tongue, restlessness, drowsiness, and a general feeling of weariness and prostration, showing that the liver is in a torpid or obstructed condition.

In short, Dr. Schenck's Pills may be used with advantage in all cases where a purgative or alterative medicine is required.

Prepared by Dr. Schenck's Mandrake Pills, and also Pulmonic Syrup and Sea Weed Tonic, are on the outside wrapper—also when in the last stage of Consumption, and the other in the present health.

Sold by all Druggists and dealers. Price 25 cents per box. Principal Office, No. 15 North 6th Street, Philadelphia, Pa.

THE AMERICAN COOKING STOVE!

This Stove has again been awarded two first premiums at our State Fair at Buffalo, one for coal and one for wood. We are now enabled to announce the unparalled result of this Stove having taken the first premium at the New York State Fairs for the last six consecutive years, notwithstanding it has been brought in competition with all the best stoves made in the state, and many from other States, and notwithstanding the persistent, combined and determined efforts of its competitors to defeat it. And its success is not alone confined to this State. On the 19th of September it was awarded two first premiums at the New Jersey State Fair: and has also been awarded the first premium at the Pennsylvania State Fair, and has never been exhibited at a State Fair and failed to take the first premium, and the premiums it has taken at county fairs are too numerous to mention. These awards are fully endorsed by the people throughout the country. Its name has become a household word from Maine to California, and from the Great Lakes to the Gulf of Mexico; and the demand has become so large that notwithstanding our large and increased facilities for manufacturing, we are unable to supply the demand promptly.

A REVOLUTION

IN

BUTTER MAKING!

PERFECTED AT LAST.

Practice Demonstrates its Success.

THE "NEW ERA," CHURN AND BUTTER WORKER, is one of the most important Inventions brought before the American people for many years, possessing as it does, features so eminently new and peculiar, and of such practical utility as must necessarily make it take the place of all the Churns hitherto used or invented.

Farmers have long looked for a Perfect Churn, that would work easy, bring the butter quick, and make the cholcest quality.

THE "NEW ERA" CHURN

possesses these qualities. The leading butter makers of this country have pronounced it a perfection.

Manufactured and for sale by

Sherman Phillips, Lowville, N. Y.

THE GREAT REMEDY

Which has been favorably known and extensively used in New York city and vicinity for upward of Twenty-five Years.

MADAM ZADOC PORTER'S

CURATIVE COUGH BALSAM

PRICE 25, 50 AND 75 CTS. PER BOTTLE.

The Best, Cheapest and most effectual Remedy for Coughs, Colds, &c., the World has ever produced, Purely Vegetable, contains no Minerals or other Deleterious Drugs.

The *Curative Balsam* is Warranted, if used according to Directions, to cure or relieve in all cases, Coughs, Colds, Croup, Whooping Cough, Asthma, and all affections of the Throat and Lungs. Madam Zadoc Porter's Balsam is a purely Vegetable Expectorant, prepared with great care and scientific skill, from a combination of the best remedies the vegetable kingdom affords.

Its remedial qualities are based on its powers to assist the healthy and vigorous circulation of the Blood through the Lungs.

It enlivens the muscles and assists the skin to perform the duties of regulating the heat of the system, and in gently throwing off the waste substance from the surface of the body.

It loosens the phlegm, induces free spitting, and will be found very agreeable to the taste. It is not a violent remedy, but emollient, warming, searching and effective; and can be taken by the oldest person or youngest child.

If you have a Cold, if ever so slight, do not fail to give the Balsam a trial, as the very low price at which it is sold brings it in the reach of every one, that they may always keep it convenient for use. The timely use of a 25 cent bottle will often prove it to be worth a hundred times its cost. Sold by all Druggists.

KELLEY'S WEEKLY

A New Illustrated Journal in the Field.

It has long been considered an impossibility to establish and sustain in New York another ILLUSTRATED JOURNAL. That the establishment of such a journal is not an impossibility, let the first number of KELLEY'S WEEKLY bear witness that its permanence as one of the literary curiosities of the country is not hypothetical, let the great public testify in the future. Our Illustrations are designed and engraved by the best artists in the United States. Our stories are well written, interesting, exciting. No pains or expense will be spared to gain for it a reputation second to that of no other paper.—The publication of the paper was commenced on Monday, Nov. 18. *On Saturday, Feb. 8, 1868, we will distribute HALF A MILLION DOLLARS of the Profits, in shares, including One Hundred Thousand Dollars in Greenbacks.*
