PORT JERVIS WINS SECOND 'DUSO' GAME

High School Beats Poughkeepsie at Football to Tune of 20-0

The Port Jervis high school football team engaged in their third "Duso" tilt when they journeyed to Poughkeepsie Saturday and defeated the Bridge City team by 20-0.

The Poughkeepsie team was rated as the best team in the Duso league. A week ago Saturday they defeated Middletown to the tune of 21-13 and were confident of defeating Port's red and black gridiron artists.

But the Port footballers turned the tables and defeated Poughkeepsie, showing that they had improved over last week when they only tied the Colonial team 6-6.

The red and black warriors put up a great defense which the Bridge City players court not penetrate. Both teams punted several times during the game but Dwyer, Port Jervis fullback outpunted Hogan of the Poughkeepsie team. Dwyer's punts averaged 45 and fifty yards while Hogan's average was not more than 25 or 30 yards.

Roberts showed his speed and clever running when he ran 35 yards before a Poughkeepsie tackler brought him down. Roberts ran put the ball on Poughkeepsie's one yard line.

Crawford also showed his fleetness when he stopped a Poughkeepsie back from scoring. Crawford sprinted thirty yards and brought down his man, receiving a great ovation from the large crowd that was present.

Sweeney, red and black guard, showed his alertness when he recovered a fumble, scoring a touchdown.

First Quarter Edwards kicks off to Schoonmaker, who ran 20 yards before he was downed. Port then made a first down, gaining constantly through the Poughkeepsie line. Poughkeepsie then held Port for three downs and Dwyer punted out of danger. Before the first quarter ended, Port had the ball on Poughkeepsie's 15 yard line but Poughkeepsie recovered both times as the Port players fumbled. The quarter ended with no score for either team.

Second Quarter Poughkeepsie was held for three downs, then resorted to punting. But Kinnely broke through and blocked the punt. Roberts then picked up the ball and started on his long run of thirty five yards, putting the ball on Poughkeepsie's 1 yard line. On the next play, Roberts took the ball over for a score. Port's try for extra point failed when Dwyer's pass was blocked. Dwyer then kicked off to Liquori who was downed by Rheinhardt. Port held and Poughkeepsie punted but neither team scored for the rest of the quarter.

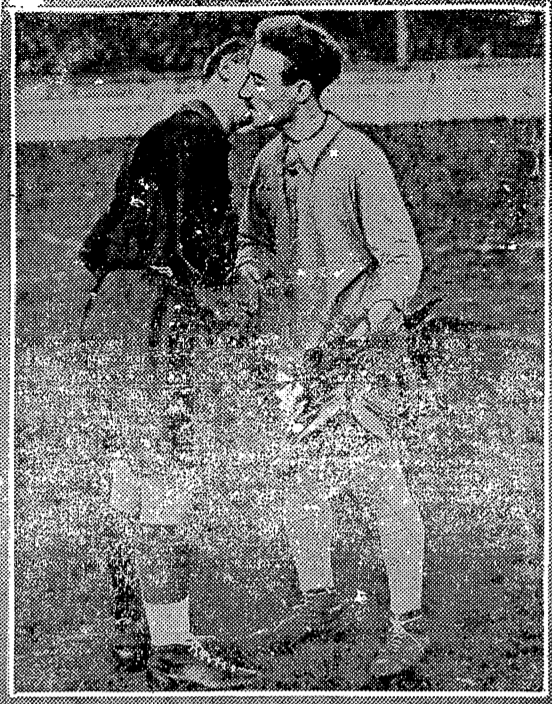

Third Quarter Dwyer kicked off. Poughkeepsie failed to gain and then punted but the punt was blocked by a Poughkeepsie back. The ball rolled toward Port's goal and Sweeney recovered the ball for Port. Port then gained and put the ball on Poughkeepsie's five yard line. But a fumble proved disastrous and Poughkeepsie recovered. Pough-

PET KANGAROO CRAMPED BY LIFE IN CITY FLAT, IS HUMANE SOCIETY CHARGE

"Seems hard to believe, because the mental picture one has when a kangaroo is mentioned is that of a large, weird-looking animal propelling itself at great speed with mighty bounds. But this photograph was made in a room in a house in New York City where Frank Collins is charged with maintaining the kangaroo under unsanitary conditions.

German and French Captains Kiss Before They Start Working Men's Football Match in Paris

Several matches between French and German football teams were played last season, the first since the World War, and this year sport relations between the two nations seem fast returning to a pre-war basis. Teams representing working men's clubs met recently in the French capital and before the game the captains exchanged traditional kiss on the cheek

keepsie was held and again punted. Port then started down the field and Dwyer went off tackle for a score. Sweeney then droppicked for the extra point, making the score 13-0 in favor of Port.

Poughkeepsie then resorted to the forward passing game all through the quarter. They succeeding in putting the ball on Port's 40 yard line and fumbled. Port recovered and on the next play, a Poughkeepsie played intercepted Dwyer's pass and ran to Port's seven yard line before being brought down by Crawford. Poughkeepsie was held for eight downs. Port brought the ball up the field and the quarter ended as the ball was near Poughkeepsie's 40 yard line.

Fourth Quarter Port through successive gains put the ball on Poughkeepsie's 25 yard line. Sweeney then tries for a field goal. The pass was high, going over Sweeney's head. Sweeney recovered and threw a pass to McCarthy, putting the ball on Poughkeepsie's five yard line. Poughkeepsie then held Port for four downs. Poughkeepsie then tried two passes, which failed, on the next play, Poughkeepsie punted. The kick was blocked and Sweeney recovered the ball as he was on his hands and knees. He worked the ball over the goal line, scoring for Port. Sweeney then droppicked for the extra point. Port kicked off to Poughkeepsie. Poughkeepsie then resorted to forward passing with no results. The quarter ended with the score 20-0 in Port's favor.

Table with 2 columns: Port Jervis and Poughkeepsie. Lists players and their statistics.

Referee—Putnam.
Umpire—Bauer.
Head linesman—Ed Patterson, Port Jervis.
Time of quarters—12 and 15 minutes.

Disputed Honor Some authorities give credit to the U. S. S. Vincennes, a sailing frigate, as the first circumnavigating the globe, making the trip in 1829-1830. Other authorities credit the United States frigate Potomac, which made a continuous cruise around the world from 1831-1834.

Sunday Thought Pleasure that comes unlooked-for is thrice welcome; and, if it stir the heart, if aught be there, that may hereafter in a thoughtful hour wake but a sigh, 'tis treasured up among the things most precious, and the day it came is noted as a white day in our lives.—Rogers.

Humanity's Debt to America In 1830, according to the Department of Agriculture, three hours of human labor were required to produce a bushel of wheat, and now it takes ten minutes. Farm invention, largely American, is one of the greatest contributions to human ease and well-being in the last century.

Generally in Agreement I am apt to think that men find their simple ideas agree, though in discourse they confound one another with different names.—Locke.

SCREENLAND

What the producers say about films to be shown at local theatres

NEW THEATRE

"Woman to Woman" Is one of the Most Discussed Pictures of the Year.

"Woman to Woman" the photodramatic sensation of the year, will be the special attraction presented at the New Theatre today and tomorrow. Ever lovely Betty Compson stars in this magnificent production and proves once more that her acting is as perfect as her face and form. The story, which was adapted from Michael Morton's successful stage play, is powerful in theme, quick in action and artistic in climax. It depicts the overwhelming love and supreme sacrifice of the vivid little dancer, Deloryse who prouettes under the night lights of Paris and London and remains sweet and unspotted as the lilies of her native France. Betty Compson has the role of Deloryse and she brings to the part a beauty of delineation which is unsurpassed even by her physical loveliness. Miss Compson's delineation of the role places her among the foremost actresses of the world. Every facial expression every motion of her supply body adds to the reality of her characterization. The supporting cast is unusual in that it really supports. The entire production is appropriately and lavishly staged. All in all, "Woman to Woman" is a superlative production in every detail and one which no motion picture devotee can afford to miss. Program also includes "Hold Everything in a Two Reel Christie Comedy, and "In the Good Old Summer Time," an Aesop's Film Fable.

PALACE THEATRE

Fire played an expensive trick on the Palmer Photoplay Corporation during the filming of "The White Sin," the big drama of modern youth which is the attraction at the Palace Theatre tonight. "The White Sin," was made in Culver City. It was arranged with the Culver City Chamber of Commerce to use their fire engine and equipment for one night for the fire scene of the picture. While the cameraman "took it all in," the mansion "front" burned as per schedule, the big hose from the engine keeping the flames under control. Suddenly a call came for the engine from the fire station. A real fire had started elsewhere in Culver City, and the engine was needed there! The "set" was burned so badly that a new one had to be built.

The producers had no faith in second trials, so they rented one of the trucks from the Los Angeles fire department for a week, with a signed agreement that it could not be removed from the lot even if all Southern California should suddenly break forth into flame!

Also a Counter Irritant

A feminine newspaper writer says no two people can live together in matrimony without friction and without getting on each other's nerves. But people must marry, and some of them must live together, friction or no friction, nerves or no nerves. It seems to us that under such circumstances children are not only a great help, but necessary.—Houston Post-Dispatch.

RADIO PROGRAM

The following is the radio program to be given Nov. 4.

Perpetual Motion

Making hay while the sun shines and raising mushrooms in the dark.—Kansas City Star.

Sport Notes

An Illinois golf association is being formed with 300 members.
Columbus, Ohio, has been unable to win an American association pennant since 1907.
California has scheduled a football game with Pennsylvania at Berkeley for New Year's day.
John (Buddy) Ryan has been made manager of the Sacramento team. He succeeded Charley.
J. E. Mess of Fountaintown, Ind., was elected captain of Purdue university's cross country team.
Cincinnati's baseball club of 1868 was considered the first salaried club in the history of baseball.
New York Giants have won 11 pennants since John McGraw was signed as manager in 1902.

France has more than 400 feminine sport associations with an aggregate membership of 10,000 women.
The election of Ralph Hills of Washington to captain the 1924 Princeton track team is announced.
Little Rock has purchased Shortstop Dittmer and Outfielder Collins from Muskogee of the Western association.

Miss Helen Cort, clever girl sculler, of Worcester, Mass., cannot swim a stroke. In fact, she is afraid of the water.

Cy Young, the famous ball player, held the major league pitching record of 500 victories during his major league career.

Fred Lake, former manager of the Boston Braves, and catcher of a decade ago has been made coach of the Harvard second baseball team.

Johnson joined the Senators 19 years ago and he has been with them ever since. He always has been a willing pitcher and a hard worker.

What is believed to be the speed record in billiards is that made in 1884 by W. J. Peall, an English cue expert, who scored a thousand points in 44 minutes.

Billy Papke, former middleweight champion, is the owner of a beautiful orange ranch, with a pretty wife and three husky young boys, and every one of them can box.

Tommy Hitchcock Noted as a Great Polo Player

Tommy Hitchcock is a great polo player. That fact is firmly established on both sides of the Atlantic by this time. His father was a brilliant performer on the polo fields before him and helped make international history.

The next match between Great Britain and the United States may see two Hitchcocks in the lineup. Tommy and his younger brother, Frank. The father began training the boys for polo when they were hardly big enough to sit on the backs of their Shetland ponies. They were bred to the saddle. Frank has been developing fast and will probably be ready for the supreme test in three years.

With Tommy Hitchcock firmly established and his younger brother, Frank, Eric Pedley, Robert Strawbridge and a few others rising rapidly as international material, the United States finds little to worry about as far as polo is concerned.

Kelly Is Handy Man

George Kelly's value to the New York Nationals was demonstrated recently when he went into the outfield and played such fine ball that the fans wanted McGraw to keep him out there instead of returning him to first base. Kelly voluntarily went to the outfield when so many Giant regulars and reserves were out of service. Bill Terry played first base with Kelly in the rescue role. As Terry is a hitter, and all fans know what Kelly can do, the change simply gave the Giants more run-getting strength.

Running Races in 1925

The historic North Randall race track, which for 16 years has been the home of Grand Circuit harness horse racing, will be the scene of running horse races, as well as trotters and pacers, next summer if present plans go through.
It is planned to conduct two or three running meets next summer, Win Kinnan, president, said, but they will not interfere with the Grand Circuit races. Under the plans the first will be held in June, for seven days.

Robins Sign Kid Hurler

The Brooklyn National league baseball club already is preparing to bolster up its pitching staff. The Robins announce the signing of eighteen-year-old L. T. Williams, who pitched this year for the Jackson (Miss.) club. He bats and throws left handed, is 5 feet 11 inches and weighs 160 pounds. During the last season he won 10 games and lost 7 for a percentage of .588. He issued 29 bases on balls and fanned 43 batters.

Advertisement for William P. Gregg, District Attorney of Orange County. Includes a portrait of him and text: "To The Voters of Port Jervis: FOR DISTRICT ATTORNEY OF ORANGE COUNTY, VOTE FOR WILLIAM P. GREGG. The present District Attorney resides at Newburgh. The present Sheriff resides at Newburgh. The present State Senator resides at Newburgh. The present County Treasurer resides at Newburgh. The present County Clerk resides at Newburgh. Is it not about time the western section of Orange County was represented by at least one important county office? The office of District Attorney should be non-partisan, non-political. Why not FORGET POLITICS and vote for a capable lawyer of experience for this office. William P. Gregg's number on the voting machine is 14A. Pull down lever 14A and leave it down."
