Bathroom Innovations

The first built-in china bathroom accessory was a soap holder which originally appeared on the market in 1924.

SUGGESTS USE OF CHLORINE GAS IN SCHOOLS

Atlantic City, N. J., Dec. 5.—The introduction of chlorine gas into the ventilating systems of schools, theaters and motion picture houses during epidemics of colds, influenza and other diseases was suggested by Lieut. Col. Edward B. Vedder, chief of the medical research division of the United States arsenal at Edgewood, Md., in a talk today before the meeting of the New Jersey state health commissioners.

Colonel Vedder has been engaged in a controversy with the New York city health department as to the efficacy of the chlorine treatment of respiratory diseases.

The Harmony Club Orchestra, of Port Jervis heightened the pleasure of their melodeous selections, and then accompanied the gathering in their "Gospel Sing," a part of the program which grows more popular each week.
