**SUNDAY SCHOOL'S \& SUNDAY SCHOOL DAYS**

*Editor's Note:*

Today marks the beginning of the Sunday School season. We wish to urge our readers to take advantage of the many opportunities for spiritual growth that are available through this venerable institution. Sunday School classes meet in various locations throughout the area, offering a range of topics for learners of all ages. Whether you are a seasoned participant or a newcomer to the faith, there is something for everyone. We encourage you to join a class that meets in your neighborhood or at your church of choice. By doing so, you will not only deepen your own understanding of the faith but also contribute to the spiritual well-being of the community. Sunday School is not just a chance to learn about religious doctrine; it is an opportunity to connect with others, share stories, and build a sense of community. Let us all remember this cherished tradition as we embark on a new cycle of spiritual education.

In an effort to promote civic engagement, we have established a new civic leadership program. This program aims to identify and develop leaders within our community who are committed to making a positive impact. Through a series of workshops and mentorship opportunities, participants will gain the skills necessary to take on leadership roles in various sectors. We encourage our readers to consider participating in this program, as it offers a valuable opportunity to engage with others and contribute to the betterment of our community.
