

ABOUT THE DAIRY COW.

Facts For Farmers Concerning Live Problems.

Need for Knowledge of Soil Economy—Value of Fertilizer—No Danger of Too Many Dairy Cows.

We are truly up against it. We have considered our heritage. Our grandfathers had their problems, but theirs have been solved. We are now face to face with the problem of the twentieth century—maintaining the fertility of the soil.

Time was only a few years ago when these tillers of the western soil would laugh at you should you intimate that the soil would ever "go away" time, enlightening the Missouri or Kansas farmer.

Scott's Emulsion

of Cod Liver Oil is the means of life and enjoyment of life to thousands: men, women and children.

When appetite fails, it restores it. When food is a burden, it lifts the burden.

When you lose flesh, it brings the plumpness of health.

When work is hard and duty is heavy, it makes life bright.

It is the thin edge of the wedge; the thick end is food. But what is the use of food when you hate it and can't digest it?

Scott's Emulsion of Cod Liver Oil is the food that makes you forget your stomach.

THE UTICA PRESBYTERY.

Martinsburg Church Carries Off the Attendance Laurels.

Protist Against the Present Effort to Legalize an Open Sunday in This State—Delegates to General Session—Fall Meeting at Dolgeville.

At the meeting of the Utica Presbytery held the past week in the city of Utica, Rev. C. M. Dodge offered a resolution protesting against the present effort to legalize an open Sunday in the state. The resolution, which was adopted by the Presbytery, was as follows:

"In view of the manifestation in our State Legislature of a sentiment favorable to legislation (in our judgment inimical to certain institutions) designed to promote the best interests of the family, the state, the nation and religion, and in view of the legislation which is now before the legislature which if passed would do away with certain valuable safeguards, among which bills are those designed to legalize the sale of intoxicating liquors on the Lord's Day from 1 to 11 o'clock p. m. Be it resolved:

First—That we as a body of Christian ministers and laymen in presbytery assembled record our hearty protest against all proposed enactment of this character. Second—We communicate with our district assemblymen and senators, petitioning them to work and vote against the passage and approval of this bill.

Third—That we approve the Local Option Bill now pending, which aims to give to cities the same right as townships and villages to say whether the saloon shall exist or not. The Rev. C. M. Dodge was directed to send a telegram to the lawmakers in Albany regarding the action taken. The following were elected delegates to the General Assembly: Ministers, Rev. C. M. Dodge, Calvin H. French, H. C. Langford, Saugott; elders, J. O. Evans, Edgy Shumway; alternates, A. W. Strong and E. R. Adams.

An invitation to the fall meeting of the Presbytery in Dolgeville was extended and accepted. It has been many years since the Presbytery has met in that place. The committee on Men's Brotherhood recommended that the churches of the Presbytery use every legitimate means to further the interests and work of the organization. The committee specifically recommended that the Presbytery authorize the calling of a conference of representatives of all the churches to meet not later than June 1. Both recommendations were adopted, as was one that faithful co-operation be lent to synodical committee on the Brotherhood to further the success of a synodical convention of Presbyterian men of the state of New York to be held in November.

In place of the Rev. Dr. C. S. Richardson, the Rev. H. H. Hobbs was elected a member on home missions. The report of the committee on the narrative of the condition of the religion in the churches was read by the Rev. Canfield Van Doren. Speaking in a general way of the situation the report stated: "The whole household of faith of the Utica Presbytery to be reported to the General Assembly this year is numerically 8,891, including the membership of the churches not sending their reports as reported in last year's general assembly records. This is a net loss of 146. Twenty churches have had losses totaling 110. Twenty-seven churches have two services each Sunday; eight, one service, and two three. The morning service attendance averages about 50 per cent of the membership. The evening attendance averages about 50 per cent of the morning. The prayer meetings run all the way from low to high tide. The Martinsburg church carries the largest attendance of 33 per cent of the membership.

"The Bible schools of our presbytery do not seem to be partial to the catechism, for only 25 per cent of them in any way recognize it. The enrollment of our schools to be reported to the General Assembly totals 6,866. Twelve of the churches, or more than 25 per cent, have met and organized within the last year. The women seem to be interested and busy in the work from Dan to Beersheba. The Y. P. S. C. E. seems to be losing in its prestige and that, in many instances, will be a serious loss to the church and by their respective societies."

Sultan to Abdicate. Sofia, April 20.—Sultan Abdul Hamid is contemplating an early abdication of the throne in favor of his third son, Mehmed Burhan-ed-din, according to the latest advices from Constantinople. Such a move would certainly precipitate a revolution, as the Sultan, as Abdul's brother, Prince Rechad, is the rightful heir. Under the Moslem law inheritance of the throne is according to seniority of descent from Osman the empire's founder, rather than by direct line. Mehmed Burhan-ed-din is the favorite son of the Sultan and it has long been known that Abdul has been trying to find a way to disinherit his son. He succeeded him without creating too much of a disturbance.

An Unusual Opportunity. F. C. Snyder will pay back your money if Seaver's Dyspepsia Tablets fail to cure dyspepsia. "Never in the history of my store," said the above druggist to a representative of a wholesale drug house, "has there been so great a demand for any remedy as there is just now for Seaver's Dyspepsia Tablets. Lowville people are coming in every day inquiring if it really is true that I sell Seaver's Dyspepsia Tablets with the understanding that they will cure dyspepsia or pay back the money." Of course this guarantee plan is quite unusual, but we do just as we agree and we will stand back your money without the least argument if you are not benefited. "Not one person in fifty has asked for their money, and it may surprise you to know that at least a dozen within the last ten days have been in to tell me how much they have been relieved, and how glad they are to know that at last there is a remedy that really will cure indigestion and dyspepsia."

Seaver's Dyspepsia Tablets brace and tone up every nerve and fibre, help digest the food, put new life into the digestive organs, improve the appetite, clear up the complexion, cure biliousness, dizzy spells, coated tongue and sick headache. Try them for twenty days and if you don't see a great improvement step in and tell F. C. Snyder and he will hand back your money cheerfully and without argument.
