Campaign for Presbyterian Pastors' Retirement Is

Rabid reports from various sources in the St. Lawrence Presbytery after many months of quiet which the press of the St. Lawrence, published by the Board of Publicity for the Pastors of the Synod of New York, shows that the work is going along

Vigorous work by the Committee on Publicity for the Pastors of the Synod of New York, with the assistance of the Women's Auxiliary and the Foreign Missionary Society, has resulted in the organization of a number of special committees in various parts of the synod. The committee on publicity has been active in the distribution of literature and the mailing of circulars to potential contributors.
