THE subscriber having completed this summer Garden, (situated in Carroll street, three doors below Mr. Christopher's Mansion House), informs the citizens of Rochester, and the public, that it is now open for the reception of company, every day, (Sundays excepted) and will be lighted up in the best style every evening, when the weather is fair, with frequently a Band of Music.

No pains or expense having been spared to render this Garden an elegant and pleasant retreat, (probably equal to any of its size in New-York or Philadelphia), the subscriber hopes, by his attention to visitants and the best order in his garden, to obtain the support and patronage of a generous public.

Also, an extensive assortment of Confectionary. ICE CREAM will be furnished to families by the quart, and sent to their houses in coolers. The subscriber feels constrained, as well from respect for his friends and the public, as from principle, to observe the following Rules, viz:

No person will be permitted to remain in the Garden, except they conduct with proper decorum. No Lady will be permitted to visit the Garden, except accompanied by a Gentleman, or where there is a family of children.
