"FRANKIE RAYMOND DAY" TO BE OBSERVED HERE ON SUNDAY

Guy's Ball Club to Meet Barber Supply Company and Twilight Stars in Twin Bill on Fair Grounds Diamond—First Game 1:30 P. M.

A baseball bill, so hot that a couple of five engines will probably be stationed at strategic points near the diamond will provide fast Sunday ball in the big doubleheader for "Frankie Raymond Day" tomorrow. The doubleheader will probably wind up the 1932 baseball season in Plattsburgh and the scene of the encounter is the Fair Grounds diamond.

The first game which starts at 1:30 o'clock will feature the Barber Supply Company's fast club with "Maddy" Maddox, star twirler of the 26th Infantry regimental team flinging against "Cannonball Dick" Deo of Guy's hurling staff.

In the second game Bill Carr's Twilight Stars with either Rice the "D. & H. Limited" or Ed. Cusson hurling against Long Lawrence Lucey, Guy's veteran right hander.

The entire proceeds of the double header will be presented to Frankie Raymond, former star southpaw pitcher of this city, who has been ill for over a year. Raymond until his sickness was regarded as one of the best left handers in northern New York and has three no-hit and no-run games to his credit.

While Guy's will probably lineup with Deo pitching and Dandrow receiving him, Duquette, Roach, Clukey, Moses, LaBombard, Ladd and Burney against the Barber Supply Company's lineup of Maddox pitching and Wood catching, McLamore, J. Ryan, Fitzgerald, Arroya, Proterra, W. Ryan and C. Repas, in the opener Reserves include, Quinn, Martin, Lenaghan, Rooney, Graves.

Guy's will then send Lucey to the mound with LaBombard receiving while the Twilight Stars will lineup with Duffany catching either Rice Cusson, Marshall, Buska, Street, Maloney, E. Provost, Twining and Parker.

The advance sale of tickets indicate that there will be an unusually large audience to witness the twin bill which rings down the curtain on the present campaign.

Schmeling-Walker Bout Monday Night Will Not Go On Air

There positively will be no radio broadcast of Monday night's Schmeling-Walker fight at the new Madison Square Garden Bowl at Long Island. W. F. Carey, president of the Garden corporation, has issued the following statement: "In deference to the request of the Milk Fund officials who are our partners in the Max Schmeling-Walker contest Monday night, we have agreed with the Milk Fund that the contest shall not be broadcast. Football Don'ts

NEW YORK, Sept. 23 (AP) — The Associated Press presents the following list of "don'ts" for football fans witnessing tomorrow's openers.

1—If your favorite halfback gets away on a long run, but slips and falls just when it looks like a certain touchdown, don't draw a bead on the official who blows his whistle and stops the young man's wild career right there. It's one of the new rules.

2—If the subs seem to flow in more freely than ever, slowing up things and threatening you with a cold super, don't think you have stumbled in on a practice scrimmage where anything goes. The coach can sub a man every quarter now, twice as often as before.

3—If the linesman you admired so greatly last season for the clever way he had of smacking an opponent on the back of the head, gets fined 15 yards for doing the same thing this year, don't blame the official. The player can't do that any more; must keep his arms stiff and shove the other fellow down, unless he can prove the other and vastly more efficient kick merely was intended to get his rival out of the way, not punish him. It's a boon to centers.

4—If you wonder why they have abandoned that "flying wedge" that used to thrill you on the kick off, don't think the coach is passing up a bet. Five members of the receiving team must remain in front of the 45 yard line under the new regulation, making it next to impossible to "gang up" around the ball carrier.

5—If on the kickoff some lucky

INAUGURATION OF 1932 GRID SEASON TODAY

P. H. S. Eleven Battles Powerful Alumni Squad This Afternoon

Plattsburgh High School today emerges from its football rest and this afternoon engages one of the most powerful Alumni elevens ever mustered by the graduates. Promptly at three o'clock the kick-off will be whistled for by the referee and an hour of good old gridiron warfare in which stars of the past and present will mingle for the benefit of the large crowd which is expected to pack the sidelines.

Heading the list of graduates who have banded together for the bout with the 1932 varsity squad is Howard "Duke" Duquette, undoubtedly the greatest back produced at the Orange and Black domain. Duquette will play in the position thru which he thrilled hundreds of Plattsburgh fans a few years ago—quarterback—and will occupy the backfield with Eddie Welch fullback; Dick Williams left half and Melvin Brandstetter fullback. In the line will appear Tippy Conroy and Don Lenaghan end; Earl Denicore and Bud Moras tackles; Herman Riel and Bud Mooney guards and Walt Parce, center. Reserves include a capable array of extraordinary talent in Clem Warn, Manley A. Walker, Al Dubuque, Carl Lewis, Dick Deo, Burlleigh Todd and Maynard Learned.

Just who Coach Horace Davies will start against the Alumni in an effort to repeat previous victories, will not be known until shortly before the game.

KRUPP ALL-STARS AT ROUSES POINT

The Krupp All-Stars of St. Albans Vt., appear against the Texaco Stars at Rouses Point tomorrow afternoon at three o'clock. The All-Stars are a picked group of Vermont baseball players headed by one of the most powerful batteries in the state, Cook and O'Neill.

The Texaco Stars are primed to overcome the big guns boasted by the Vermont club and will pit either Lefty Cummings or "Cannonball Dick" Erving against the "school boy wonder." Tommy Weatherwax or "Tape" Dragoon will receive the Rouses Point pitching selection.

The whirlwind spurt of the Stars is increasing their claims to any northern New York championship which may be floating around unshackled and they may back their claims by triumphs in their series with Guy's of Plattsburgh, the 26th Infantry, AuSable Forks and Lyon Mountain.

CARDINALS DEFEAT PITTSBURGH 8 TO 4

ST. LOUIS, Sept. 23 (AP) —The world champion St. Louis Cardinals tightened their hold on sixth place in the National League by smothering out an 8 to 4 victory over the Pittsburgh Pirates today as they opened the final series of the 1932 season.

The victory came on the heels of the Cards' clean sweep of the three-game Cincinnati series earlier in the week, but with pennant hopes long faded, the winning streak failed to arouse much enthusiasm here, as evidenced by only 500 paid admissions for today's contest.

P. Waner of the Pirates set a new National League record today in bringing his total of two-base hits for the season to 61, besting the mark set by Chuck

Klein in 1930 with 59 doubles. Waner tied the record yesterday and total knocked out his 60th and 61st doubles. The Major League record for doubles is 67, made in 1931 by Earl Webb of the Boston Americans.

Paul Derringer allowed the Pirates 10 hits, to eight given by two Pittsburgh hurlers, but the Cardinals blows were more timely.
