**The Tupper Lake Free Press and Herald** is an article by John Glad, superintendent of schools at Tupper Lake. It discusses the slow progress of the Tupper Lake chamber of commerce and the need for a suitable library. The author suggests that the chamber of commerce should serve the purpose of providing a suitable place for filing the records of the chamber of commerce, as well as for attracting and retaining the interest of businesses in the area.

**WATSONVILLE** — The report of the audit of the Watsonville School District Board of Education indicates that the district has been severely handicapped by lack of a suitable library. The author suggests that the chamber of commerce should serve the purpose of providing a suitable place for filing the records of the chamber of commerce, as well as for attracting and retaining the interest of businesses in the area.

**TUPPER LAKE** — MISS EVA BAILEY, daughter of Mr. and Mrs. C. H. Bailey, of Tupper Lake, was married on September 22, 1938, to EDWARD M. O'BRIEN, Rev. Father John D'Avignon, officiating at the Catholic Church in Tupper Lake.

**TUPPER LAKE** — The University of Vermont, which lead to a better understanding among citizens, or a better relationship between the town and the surrounding countryside, is the fellow who gets sore and indulges in personalities, and there is the wise "bird" who can always tell us how to produce white newsprint.

**TUPPER LAKE** — It is currently reported that the mine in the Adirondacks has been closed due to lack of interest in the area. The author suggests that the chamber of commerce should serve the purpose of providing a suitable place for filing the records of the chamber of commerce, as well as for attracting and retaining the interest of businesses in the area.

**TUPPER LAKE** — The author suggests that the chamber of commerce should serve the purpose of providing a suitable place for filing the records of the chamber of commerce, as well as for attracting and retaining the interest of businesses in the area.
