NOTHING IN IT.

WE REFER to the head of the comical fellow whose picture is printed above, and incidentally to many marvelous statements printed in the advertising columns of the papers. You can't get something for nothing, and you'll find it cheaper in the long run to buy goods of the best quality. They wear longer and look better and in the end give better satisfaction. We are offering some bargains just now. We jot down a few:

- Straw goods at first cost.
- Summer ties at cost to close out.
- Neglige shirts at a nice discount.
- Light colored derby hats at actual cost.
- Balance of our stock of boy's shoes at cost to close them out.

NEW LINE of gentlemen's fine shoes just in, and they are beauties too. This department is rapidly coming to the front. We are making an extraordinary effort to reduce stock before our fall goods arrive and are offering big inducements. Men's, Youths and Children's Clothing and Furnishing. You will find it our interest to NOW!
