Riches Brothers Return to England
Sister Must Remain at Roswell Institute Until Kidney Machine Time Available

BY LEONARD H. PRINCE

GOOD LUCK, SIS! Brian Riches, 29, tends over his sister, Mrs. John Harrington, Penfield, a patient in Roswell Memorial Hospital. He is the brother of Jack and Brian Riches, 29, who were recently discharged. Mrs. Riches was readmitted to the hospital last night in hopes that one kidney donor will be found.

The March issue of the Postal Bulletin, the magazine of the U.S. Postal Service, states that the labor union is under investigation by the House of Representatives Committee on Ways and Means.

With time can be secured on the kidney machine it would be a good event to stage for opening day of the new legislative session. The state estimates the cost of the new building will be $1 million.
