ARMY OFFERS HS SCHOLARSHIPS

HEADQUARTERS FIRST U. S. ARMY, Fort George G. Meade, Maryland -- College scholarships for 400 outstanding high school seniors will be offered again this year, the U. S. Army has announced. The scholarships will be given to at least 424 colleges and universities in the United States offering the Reserve Officer Training Corps (ROTC) program. Young men may choose their own field of study and the only requirement will be that they take part in ROTC.

Selection is based on academic excellence, extracurricular activities, physical fitness and potential leadership. The Army ROTC scholarship program, now in its fourth year, has been extremely successful. Of 99 last year's high school seniors who were selected, the scholarships paid full tuition, room, and board fees, and provided a $900 allowance for four years.

High school seniors, or their parents or teachers, may obtain information by writing: ROTC Scholarship, First U. S. Army, Fort Meade, Maryland 20755. Deadline for submission of completed applications is January 15, 1965. However, College Entrance Examination Board Scholarship Aptitude Tests must be taken no later than December 1967.

Upon graduation from college the scholarship recipients will be commissioned second lieutenants in the U. S. Army. They will fulfill their military obligation by attending the University of Texas for four years.

Over 99 percent of last year's winners ranked in the upper 20 percent of their class. Twenty-five percent were student body presidents or other leadership positions in other class organizations. Approximately 20 percent had been won by 27 percent and 18 percent were Eagle Scouts.
