THK SEW WAY LEGISLATION

Every now and then we see things up with legislation, usually not, that pleased one. This one didn't cripple the writing hand, though.

A Suffolk legislator has sought to enact a low freezing margins to stop for ice cream trucks, just as we now do for neon street signs. This is the fourth time to the third time to the fourth time to the

There are already plenty of necessary rules for the motorist's benefit. Let's not clutter up his mind with unnecessary ones.
