

**Police News**

Ongoing page 33, on One M Billoves of Bay Avenue. Culpepper was cited on March 26 and July 14 when her rear wheel went off the roadway and struck a utility pole.

On July 24 a white Caddy, license plate 3397-765, was involved in a collision at Main and Pulaski Streets, and in the collision.

**Retiring Postmaster Is Honored**

Corl Cooper was honored by his colleagues of Greenpoint Post Office at a retirement party held Sunday afternoon in the American Legion Hall. Mr. Cooper joined the Postal Service in 1926 and retired 1973 after completing thirty-seven years of service, several of which were served with the U. S. Army in the Pacific Theatre during World War II. Mr. Carlos De Jesus, left, Officer in Charge of the Greenpoint Post Office, presented Mr. and Mrs. Cooper with a set of luggage on behalf of the Greenpoint office staff. Mrs. Cooper was also presented with a bouquet of flowers, and she reminded all that she too was a Postal worker during the Great Depression.

**Cutter Having Another Public Meeting On Energy Problems**

Cutter has gathered his audience in the basement of our meeting space. The meeting was in order to discuss the problems of energy and our future. In his talk, Mr. Cutter discussed the use of nuclear energy and its potential.

**CUTCHOGUE - MATITUCK WATER DISTRICT PETITIONS**

On Thursday, August 3, 1973 at 8:00 P.M. in the Mattituck Fire House on Pike St., Mattituck there will be a meeting of all persons in the proposed Cutchogue-Mattituck Fire District. The meeting will be open to the public and all interested parties are invited to attend.

Previous meetings have been held on this proposal for the district where the petitioners have been careful to discuss both sides of the issue. The next step for the formation of the water district will be the signing of petitions. 31% of the residents and 51% of the total assessed valuation within the district must vote for the district before it can be implemented.

Will all those persons who live in the Mattituck portion of the district, and who are interested in signing the petition please make every effort to attend this meeting?

**CUTCHOGUE - MATITUCK WATER DISTRICT PETITIONS**

On Thursday, August 3, 1973 at 8:00 P.M. in the Mattituck Fire House on Pike St., Mattituck there will be a meeting of all persons in the proposed Cutchogue-Mattituck Water District who are interested in the signatures of petitions for the new district in the Mattituck area.

Previous meetings have been held on this proposal for the district where the petitioners have been careful to discuss both pros and cons. The next step for the formation of the water district will be the signing of petitions. 31% of the resident taxpayers and 51% of the total assessed valuation within the district must vote for the district before it can be implemented.

Will all those persons who live in the Mattituck portion of the district, and who are interested in signing the petition please make every effort to attend this meeting?
