## Appeals for Mothers to Lead Cubs

The Greenwich Journal.  
Dear Jane,  
I am writing this letter to let the Greenwich Cub Scouts and their parents know what is being planned. We have been unable to organize this fall because of a lack of den mothers and a pack committee.

A meeting is planned for next week Friday night, November 10, at 7:30 at the Greenwich elementary school cafeteria for all boys 8-11 who are Cub Scouts or are interested in becoming Cub Scouts and their parents. At this time we hope to recruit some mothers who would be willing to serve this winter as den mothers.

If you want your son to be a Cub Scout won't you please volunteer for a den mother? It involves one weekly one hour meeting at your convenience plus the monthly pack meeting at the school. You will receive many aids to help with the job plus the satisfaction that you will be helping some nice young boys develop into real Cub Scouts.

The future of the Cub Scouts in Greenwich depends on the interest of their parents at this time. Won't you please get concerned? I am willing to give up my time to help your son become a better citizen if you will.

Sincerely yours,  
George S. Kelly,  
Cub Master

## Tips For GOOD GROOMING WEEK NOV. 12-18

No Water for Ink Stains though cold water is usually the best first aid for clothing spots and stains.

But NOT for Ball Point Ink Stains! Never apply water to this type of stain. If you do, the stain may become a permanent part of your wardrobe.

It's just like the manufacturers say: These inks were made to work under water.
