STILL THE EAD TO WAR?

WILL ITLEAD TO WARY

The report sent out from Weahingtom the probability of a special Jingo message from the President to Congress en the author's of the Behring Sea sitheries dispute, between the United States and Great Britain, oreside a frielinisterest in an important matter about which the average American ditions known very little. When the United States purchased Alaska, it is claimed by Speciatry Blaimethat the maritime rights of Russia over that waterway went with the purchase, as prior to their purchase Behring sen was a closed state Behring sen was a closed state the Salibury. for the Behring sen was a closed state the sent of the Salibury. The Little Salibury of the Salibury of the

of Alaska. It is Calmed and other versels have a right to capture fur seal in these waters and it is the properties that this Government is aiming at. It would seem that this is a matter that that this Government is attuming as, two would seem that this is a matter that might easily be arbitrated and if our position insustated by historical accuracy, as is claim, but the company of the comp

wanting in logic and force of common, awage. This view of the case is taken by some of the independent and most houghful of our newspaper. This is the view taken by the Boston Herald, a paper than has given much attention to the subject. It says: "Whatever may have been seantioned by international samps sirtly years ago, it is an undenilable fast that the endeancy and result of international custom at the present day are to abolish exclusive pretendors, and in the case of Behring sea the Department of Batte at Washington would not recognize for twenty-follishour's time a slaim made by England, Russia, or any where of the great powers of the world, similar to that which we are now adventige on our own behalf.

"The main difficulty with our position is that it is clearly recognized to be an untenable one that it is utterly impossible to wholl the matter in disquare to arbitration. Secretary Blatine is the earthy awards whill the control study the surpossible overwhile aware that if the outter subject, where the present of the world, some control was the subject of the surpossible to wholl the matter in disquare to arbitration. Secretary Blatine is therearthy aware that if the outter subject,

to submit the matter in dispute to distriction. Secretary [Blaine is thereibly aware that if the entire subject s brought before any disinterested unal, no matter how chosen or how med, there would be not the least side chance that the tribunal would stain him in the position he has take

*We are thus placed in a most humil string position facts to face with the ma biom of the world. We have been for years past claiming, with a species of murking estitaction, that we were as emissuly just and peaceful people, who found no need of armies and navies, as who believed that all of the dispute scaling between. different government would be restilly estitled by arbitration of the now, when an opportunity is given Yet now, when an opportunity is given of testing the good faith of these asser-tions, we make a complete backdown and insist upon maintaining our ground —a policy which is only unwartike be a policy which is only unwarities be-use other international interests ider it no, and because our sition 3,000 miles from Europe gives opportunities to run ricks which on other side of the Atlantic could not clead to war. This is the result of

Tribune, national or 'can party, is unabl

also entirely overlooked, while the most active leader in the State, ex Senator Platt, did not know anything about the meeting until it had been in session for

FOR \$42,000.
A year ago Myron M. Yau Aukan was candidate for District Attorney of Incida county. The Utics Observer oposed his election inits usual upright and owntight style and the country of the cou posed hiselection in its usual upright an lownright style and Mr. Van Auken wa lefeated. Now he has sued the Obser ver for libel, claiming \$42,000 damages ver for libel, claiming \$43,000 camages, Among other things Mr. Van Auken figures up that the Observer prevented his election to an office worth \$5,000 a year for three years, and asks \$10,000 for that If he succeeds on that issue it to make up the pension defic extinguish the national debt it tinue its regular daily editions

BENNETT, YOU'RE WRONG! BENNETT, YOU'EM WRONG!
The Futor Patrict copies the item
published in the local columns of this
paper a few days ago in reference to Mr.
Jerry Heagesty's purchase, of one thousand bushels of potators in Canada and
haists that it was the Canadian farmer
who paid the duty of 25 centra a bushel.

Effect Remeter transference as much as who paid the duty of 25 cents a uccase Editor Bennett may thoorie as much a ho please. Mr. Heagerly knows tha he was compelled to pay the duty and did pay it, and he now proposes to make Editor Bennett pay it back to him, pro viding he can induce him to eat a few bushels of his fine Canadian potatocs.

The following from the Elmira Gaz ette, Governor Hill's home paper, look

at I Mr. Weed was likely to win the Senatorably:
Upon the wisdom of electing Smith Mr. Weed to the United States Senate difference of opinion might be expected. But on the advisability of so thinking the party lines as to leave Mr. Weed, with men of moderate views, on the control of the senate of the senate opinion. The Gasette does not remember any fault found with Mr. Weed's tariff principles who was supporting with zeal and effectiveness Thiefs in 'To Hancock in 'Og and Clevelane in 'To Hancock in 'Og and Clevelane when the stranger of the senate of the

Dr. Justin fixed three successful about of his dynamic cartridge from the big gun at Perryville, Saturday. In the I ght of some previous disasters it may not prove conclusively that the shell can be handled safely, though it goes considerable way toward it. The doctor found on by the other explosions, and by scientific tests made with a dummy shell, where the trouble seemed to like. The fault be remedied, and Saturday's experiments seem to confirm the truth of his observations. In any event, it is a big encouragement to the inventor. Dr. Justin fired three successful she ig encouragement to the inventor

It is perilous to peapone sleightides,"
says the Troy Frees. Yee, but on an
count of the rain yesterday many a one
awas undoubtedly peatoned. We untally
get the best run of sleighing in early
Winter. Then the tosada areamonth and
free from pitch-holes. So it will be well
for the young men to heed the warning
of the Press and see to it that they give their best girls a sleighride while the

their best girls a sleightful while the op-portunity presents itself and before the "think-yermana" appear.

The desirs for an utilizal report con-norming the desirt of Sitting Bull is growing. The latest version of the ar-fair is that Sitting Bull was murdered in the shock and that the first abot was fired at bim. It is further stated that the bellef is growing at Standing Rock Agency that the old chief's body was not buried, and that it is now in the hands of the declors for dissection. The official report is called for.

The late General Terry, who died at his home in New Hayen, Conm., the other day was never married.

Albany Times A kirmes for the benefit of the hadly crippled Republi-can party has been proposed by a number of philasuthreplate, Democrats can afford to be generous contributors.

Madaun Nora's of Glaspe-Blowers.
To morrow ovening Madaun Nora's glass blowers open at No. 405 West First street, Jefferson block. There are raine first class-glass blowers in the troups and all do an entirely different insee of work. Many beautiful specimens of the work of the different members will be displayed, among them, a glass steam engine, one of the finest pieces of work in this line ever produced. Every person who attends will receive a present. They exhibition will be open afternoods and evenings. Admission 15 cerus. Every person receives a glisp present. "Old Sally 'Enle and Hearty'.

Every person receives a gliss present.

"Old Salt" Hele and Hearty.
Ex-Lieutenant Governor Thomas G.
Alvord of Syracuse, celebrated he is
eightieth birthag Saturday. He is
strong and hearty sind shows none of
the infirmities for old age, In seaking of himself psyciolally and mentally,
he says his general health has been better during the last three years than in
the twenty preceding years. Never had
but one severe illness, which was little
over three years aco. He distinctly remembers back to 1816, when the village
of Salins, now Syracuse, contained three
hundred couls. The old gentleman received a number of congratulatory telegrams and many callers.

Confirmed.

Consirmed.

The favorite impression produced on the first appearance of the agreeable liquid fruit remedy, Syrup of Figs, a few years ago has been more than confirmed by the pleasant experience of all who have used it, and the success of the proprietors and manufactures of the California Fig Syrup company.
