IF YOU HAVE A HUNDRED DOLLARS

And try to invest it yourself, you can hardly avoid putting it all into some one security. Thus you find yourself with all your eggs in one basket. If you pool your money with that of thirty-two thousand other people by depositing it in the Burlington Savings Bank, you become part owner of thousands of different investments, chosen by men who have made safe investment their life study, and safe guarded by a surplus fund of over two million and a half dollars.

WITHOUT WARNING

Fire has no bellow to tell of its coming. It will eat up the savings of a lifetime in an hour. Money put in a fire insurance policy buys security for loss if fire visits you.
