

REPUBLICAN STATE TICKET. Governor... Stewart L. Woodford. Secretary... William H. Burleigh. Treasurer... John T. Thayer.

Are the canals of the State so important to Jefferson county that she can afford to pay \$300,000 this year toward their support...

The State, through careless servants, by the breaking away of a dam, destroyed nearly a million dollars worth of property in Jefferson County.

The Clerk of the Board of Supervisors of Tompkins has been notified by the Comptroller that the tax-payers of that county must furnish for State purposes...

We hold the name to-day of Clinton L. Merriam, of Lewis Co., for Representative in Congress, after one of the longest and most perplexing struggles for a nomination...

The Spell Broken. We hold the name to-day of Clinton L. Merriam, of Lewis Co., for Representative in Congress...

Look on this Picture, then on That. The Democrats had a majority in the Canal Board in 1868. The following are the figures for these two years of Democratic ascendancy:

1868—Receipts... \$3,933,084 51. For collection and repairs 1,916,767 87. Surplus for two years... \$2,016,316 64.

1870—Receipts... \$3,898,801 13. For collection and repairs 1,916,767 87. Surplus... \$1,982,033 26.

Loss under Democratic rule. We leave this subject just here, with the single question whether Democratic rule is not quite too expensive a luxury at \$4,000,000 a year!

The Syracuse Democracy. The Democrats of Onondaga and Cortland counties have nominated one Robert McCarthy for Congress...

The Sale and Re-purchase of a Canal Dredge. We are indebted to the Albany Evening Journal for the history of a Democratic transaction which shows where the money goes under the present management of our canal affairs.

Arrest of Repeaters. A number of arrests were made Tuesday in New York, of persons attempting to register illegally. They were taken before United States Commissioners...

Correspondence. A subscriber in Dowagiac, Mich., writes us as follows: "We have had a warm, dry season, the mercury ranging most of the time since the 1st of May from 80 to 100 degrees in the shade."

It is a matter of wonder at all, that the canal revenues have disappeared and that in place of a surplus an increased debt and consequent increased taxation from a deficiency in canal revenues has appeared.

There has been a large breadth of fall wheat sown, but the Hessian fly is working in it badly, and bids fair to destroy all the early sown fields unless it freezes up soon, of which there is no prospect now, for it is as warm as July, ordinarily, at this writing.

There are three hundred and seventy-two Tuscarora Indians in Niagara Co. —Ottawa has discovered a copper mine, and takes some consolation from it, after losing the Fair of 1871.

—The "Great Republic" has arrived at San Francisco from Hong Kong, with an immense cargo of teas and silks. —Somebody has written a book entitled "What Shall My Son Be?"

—Japan last year witnessed the opening of the first coal mine worked upon American and European principles—the Takahama mine. The coal there produced is equal, if not superior to the English north country coal.

THE FIRST MORTGAGE BONDS, OF A Trunk Railroad IN NEW-YORK STATE, PAYING 7 PER CENT. IN GOLD.

ARE OFFERED AT PAR. THE NEW-YORK AND OSWEGO MIDLAND RAILROAD, which will be 400 miles in its total length from New York to Oswego, including the Albany branch, has nearly 200 MILES OF ROAD ALREADY COMPLETED AND IN PROFITABLE OPERATION.

THE LOCAL BUSINESS is nearly large, and the only project conceived a contract with the State and Federal Canal Company for the use of the canal, and the State, this will do for the business and profits of that section of the canal, and the local traffic of the canal, and the profits of that section of the canal, and the local traffic of the canal, and the profits of that section of the canal.

THE BONDS. The popularity of these bonds as a perfectly safe security, bearing the highest rate of interest authorized by the laws of New York, payable in gold, free of Government tax, has kept the supply nearly exhausted; but the recent and early completion of additional sections of the canal, and the liberal supply, which is expected to be the result of the completion of the canal, has enabled us to issue a new issue of these bonds, which affords ample security for the financial strength of the company.
