CYCLING AT BUFFALO.

Small Attendance and Slow Time at the State Meet.

BUFFALO, Sept. 6.—The attendance at the opening day of the L. A. W. state meet was very small, which was in great measure accounted for by the date following so closely the two recent bicycle meetings of Saturday last and Monday.

The first heat of the mile open was rode in 2:32 2-5, and as a time limit of 2:30 had been fixed, the heat was declared no race. It will be run over today, when the finals will also be pulled off.

The suspension of Titus, Cabanne and Murphy and the absence of Bald have proved very disastrous to the meet.

Shabel After the Records.

TORONTO, Sept. 6.—Ferdinand Shabel, the long distance French bicycle champion, commenced his 1,000-mile ride against time on the quarter-mile board track on Toronto island.

He had made an open challenge for a 1,000-mile race, which had been accepted by Seavoy of Boston and Weinig of Buffalo, but neither of the men showed up.

Shabel started alone unpaced and will attempt to beat Gimm's 24-hour record of 452 miles and other records up to 1,000 miles. He is in splendid condition and will go the first 24 hours without dismounting. He started off easily.

His time at 10 miles was 30:52 2-5, and in the first hour he rode 21½ miles. For 50 miles his time was 2:35:54, and for 100 miles 5:13:30 2-5. These are unpaced records.

Driver Curry Fined.

PHILADELPHIA, Sept. 6.—Gil Curry, who drove Joe Patchen in Wednesday's match race with John R. Gentry at Belmont park, has been fined $500 by the judges for alleged improper driving in the race. There is considerable doubt as to whether the fine can be collected, as Curry claims that the contract with the Belmont Driving club simply called for a speed exhibition on the part of the two horses. Instead of a $4,000 purse, McHenry and Curry were to be given a certain percentage of the gate receipts and the amount they did receive, it is said, was $450 each.

Curry and McHenry, who drove Gentry, left for the West.

Lavigne and Griffo Matched.

NEW YORK, Sept. 6.—Jim Kennedy, the matchmaker of the new Empire club of Maspeth, L. I., has succeeded in matching Kid Lavigne of Saginaw, Mich., against Al Griffiths, better known as Young Griffo, of Australia. The men are matched to fight 20 rounds at 133 pounds before the Empire club on Sept. 25.

Pool Selling at Goshen.

GOSHEN, N. Y., Sept. 6.—At the race meet which just closed here pools were sold openly and bets were freely placed.

Toronto's Water Supply Cut Off.

TORONTO, Sept. 6.—The large conduit which is laid beneath the bay and upon which the city is dependent for almost its entire water supply broke in three places, completely cutting off the water supply. Considerable time will be required to repair the breaks and in the meantime the city will be almost helpless in case of fire. Incendiarism has been rampant here of late and the city now being cut off from water supply, creates a source of great anxiety to citizens.

Chicago Warrants Sale Fails.

CHICAGO, Sept. 6.—The sale by Comptroller Wetherell of $1,500,000 Chicago city warrants is reported to have fallen through. The sale was made to the New York firm of Kuhn Loeb & Co., and was conditional upon the legality of the issue. According to advices received here today Kuhn Loeb & Co., after investigation, refused the issue upon advice of Attorney W. B. Hornblower.

THE Gaberecht, an eminent German pencil maker, now dead, has over his grave a gigantic stone representation of half a lead pencil set as a tombstone. It is of red sandstone, with a core of graphite eight inches in diameter.

SPANISH ATROCITIES.

Reported Massacre of Women and Children In Cuba.

NEW YORK, Sept. 6.—The Press today says:

Atrocities by Spaniards, as revolting as those committed by the Japanese at Port Arthur, have just been reported to the Cuban revolutionary party in New York.

Enrique Trujillie, editor of El Porvenia, has received a letter from Juan Maspons France, chief of staff under General Maximo Gomez, the commander-in-chief of the insurgent army.

It is dated "Headquarters in the field, Aug. 3," and sends details of the capture and recapture of the city of Baire and the massacre of 37 inoffensive Cubans, mostly women and children, by the Spaniards under Commander Garrido.

Colonel France describes graphically the scenes of horror that followed. The Spaniards were wild for the spilling of blood. Every human creature who came in their path was ruthlessly slain. Within five minutes the streets of Baire were deserted by the panic-stricken natives, but the Spaniards followed them into their houses and killed them in their own rooms.

"Age, sex and condition were wholly disregarded by these liveried butchers," says Colonel France. "Old and young women, children, even infants, were slaughtered one after another. Shocking indignities were offered to the unfortunate victims before and after death. The Spanish soldiers stamped on the bodies of those whom they had slain and ground their heels into the faces of many who were still living."

Big Swindling Scheme Unearthed.

PHILADELPHIA, Sept. 6.—By the arrest of Robert Ritson of this city, the police think they have unearthed a gigantic system of swindling by bogus drafts printed in the names of 11 different national banks and drawn to the correspondents of those banks in Louisville, Boston, Milwaukee, Indianapolis, Chicago and on five banks in New York city. Last week Ritson called at the printing house of Williamson & Beecher and representing himself as the agent of a cancelling punch for the use of banking houses, negotiated for the printing of several thousand national bank checks, which, he said, he meant to use in advertising his patent punch. This brought about an investigation and the arrest of Ritson.

Affairs In Peru.

Familiar But Hated Sounds.

"Augh waugh!"

It was the baby. He had repeated the remark sixty times in the past hour.

Mr. Newleigh's hair, such as it was, stood on end.

"Gwow ahwb wowbdgwow nlwaugh!" added the baby, while people living across the street got up and closed their windows.

Mr. Newleigh took a whetstone out of the table drawer and ground his teeth.

"To think," he groaned, burying his face in the pillows, "that I should grow up to become the father of a Union depot train-crier!" — Rockland (Me.) Tribune.

Styles From the Jungle.

"You look as if you needed a hair cut," said the elephant, nosing about the lion's cage.

"Before you go around making remarks about other people's appearance you'd better trim down your ears," retorted the lion, shaking his mane; "you show your ivories too much when you talk, anyway."—Chicago Tribune.
