

OLEOMARGARINE.

Figures Showing the Operation of the New Tax Law.

The Secretary of the Treasury has transmitted to the Senate a report prepared by Mr. Miller, Commissioner of Internal Revenue, in answer to Senator Ingalls's resolution calling for information about the operation of the Oleomargarine law.

By this report it appears that since November 1, the date at which the law went into operation, special taxes provided for therein have been assessed on thirty-four manufacturers of oleomargarine, on 204 wholesale dealers, and on 2,415 retail dealers. The number of pounds of oleomargarine assessed at two cents per pound was 4,480,174. The principal collections were in the First Illinois district, where 2,613,700 pounds were taxed. The other districts where the collections were above the average were as follows: Colorado, 101,951 pounds; Kansas, 278,551 pounds; Third Massachusetts, 155,834 pounds; First New York, 191,979 pounds; Second New York, 255,454 pounds; Rhode Island, 284,826 pounds.

Of the manufacturing establishments ten are in the First Illinois district, five in Kansas, three in Second New York, three in Thirteenth Ohio, and five in Rhode Island. None of the other districts contains more than two factories. The wholesale dealers are confined principally to the following districts: First Illinois, Third Massachusetts, First Michigan, Rhode Island and Louisiana. There are not more than four wholesale dealers in any one of the other districts.

In the retail business the First Illinois district heads the list with 416 dealers; the Third Massachusetts is next with 234; the Twenty-second Pennsylvania, 181; Rhode Island, 177; First Pennsylvania, 157; Fifth New Jersey, 91; Connecticut, 87; Twenty-third Pennsylvania, 82; Third New York, 81; First Ohio, 75; Kansas, 72; First New York, 65; Eighteenth Ohio, 57; Colorado, 49. In the remaining districts the number of retail dealers range from one to thirty-one.

THE GIANT OF MEDICINES.

The Most Effective and Popular Remedy Ever Discovered.

WHY IS IT SO EFFECTIVE IN SO MANY DIFFERENT DISEASES?

WHY one remedy can affect so many cases is this: The diseases have a common cause, and a remedy that can affect the cause, permanently cures all the diseases. Unlike any other organ in the body, the Kidney when diseased, may itself be free from pain, and the very fact that it is not painful leads many people to deny that it is diseased. But Medical Authorities agree that it can be *far gone with disease and yet give forth no pain*, because it has few if any nerves of sensation, and these are the only means of conveying the sense of pain; thus unconsciously diseased it affects the entire system. We do not open a watch to see if it is going or is in good order. We look at the hands, or note the accuracy of its time. So we need not open the kidney to see if it is diseased. We study the condition of the system. Now then, **KIDNEY DISEASE** produces any of the following Common and Unsuspected.

SYMPTOMS: Back ache; Unusual desire to urinate at night; Fluttering and pain in the heart; Tired Feelings; Urinations; Acid, bitter taste, with furred tongue in the Morning; Headache and Neuralgia; Abundance of pale, or scanty flow of dark-colored water; Sour Stomach; Heart-burn with Dyspepsia; Intense pain, upon sudden excitement, in the Small of the Back; Deposit of mucous some time after urination; Loss of Memory; Rheumatism, chills and fever and Pneumonia; Dropsical Swellings; Red or White brick dust, albumen and tube casts in the water; Constipation, alternating with Looseness; Short breath, Pleurisy and Bronchial affections; Yellowish pale skin, etc.

These are only the chief disorders or symptoms caused by a diseased condition of the kidneys. Now, then, isn't it clear to you that the kidneys, being the cause of all these derangements, if they are restored to health by the great specific "Warner's SAFE Cure," the majority of the above ailments will disappear? There is **NO MYSTERY ABOUT IT**. It does cure many bad states of the system precisely as we have indicated. Now when the kidneys are diseased, the albumen, the life property of the blood, escapes through their walls and passes away in the water, while the urea, the kidney poison, remains, and it is this kidney poison in the blood, that, circulating throughout the entire body, affects every organ, and produces all the above symptoms.

Therefore, we say confidently that "Warner's SAFE Cure" is **THE MOST EFFECTIVE MEDICINE EVER DISCOVERED** for the human race. It is the common remedy which, overcoming the common cause, removes the greatest possible number of evil effects from the system. Let us note a few of these diseases and how they are affected by kidney poison, and cured by

"WARNER'S SAFE CURE."

CONSUMPTION: In a great many cases Consumption is only the effect of a diseased condition of the system and not an original disease; if the kidneys are inactive and there is any natural weakness in the lungs, the kidney poison attacks their substance and eventually they waste away and are destroyed. Dip your finger in acid and it is burned. Wash the finger every day in acid and it soon becomes a festering sore and is eventually destroyed. The kidney poison acid in the blood has the same destructive effect upon the lungs. For this reason a person whose kidneys are ailing will have grave attacks of Pneumonia in the Spring of the year, Lung fevers, Coughs, Colds, Bronchitis, Pleurisy, etc., at all seasons of the year. Rectify the action of the kidneys by "Warner's SAFE Cure," as many hundreds of thousands have done, and you will be surprised at the improvement in the condition of the lungs.

IMPAIRED EYE-SIGHT.

Kidney acid with some persons has an especial affinity for the optic nerve, and though we have never urged it as a cure for disordered eye-sight, many persons have written us expressing surprise that after a thorough course of treatment with "Warner's SAFE Cure" their eye-sight has been vastly improved. In fact, one of the best oculists in the country says that half the patients that come to him with bad eyes, upon examination he discovers are victims of kidney disorder. We have no doubt that the reason why so many people complain of failing eye-sight early in life, is that, all unconscious to themselves, their kidneys have been out of order for years, and the kidney poison is gradually ruining the system.

OPIMUM HABITS.

It is a well-known fact, recently shown anew, that opium, morphine, cocaine, whiskey, tobacco and other enslaving habits capture their victims by their paralyzing effects upon

the kidneys and liver. In these organs the appetite is developed and sustained, and the best authorities state that the habits cannot be gotten rid of until the kidneys and liver are restored to perfect health. For this purpose, leading medical authorities, after a thorough examination of all claimants for the honor of being the only specific for those organs, have awarded the prize to "Warner's SAFE Cure."

RHEUMATISM.

Every reputable physician will tell you that rheumatism is caused by an acid condition of the system. With some it is uric acid, or kidney poison; in others, it is lithic acid, or liver poison. This acid condition is caused by inactivity of the kidneys and liver, false action of the stomach and food assimilating organs. It affects old people more than young people because the acid has been collecting in the system for years and finally the system becomes entirely acidified. These acids produce all the various forms of rheumatism. "Warner's

SAFE Cure" acting upon the kidneys and liver, neutralizing the acid and correcting their false action, cures many cases of rheumatism. "Warner's SAFE Rheumatic Cure" alternating with the use of "Warner's SAFE Cure" completes the work.

BLADDER DISORDERS.

Gross and other high medical authorities say that most of the bladder diseases originate with false action of the kidneys, and urinary tract. Uric acid constantly coursing through these organs inflames and eventually destroys the inner membrane, producing the intense suffering. Sometimes this kidney acid solidifies in the kidneys in the form of Gravel, which in its descent to the bladder produces kidney colic. Sometimes the acid solidifies in the bladder, producing calculous or Stone. "Warner's SAFE Cure" has restored thousands of cases of inflammation and catarrh of the bladder and has effectively corrected the tendency to the formation of gravel and stone. It challenges comparison with all other remedies in this work. Buy today,

CONGESTION.

Congestion is a collecting together of blood in any one place. If there is loss of nervous action in any organ the blood vessels do not allow the blood to circulate and it stagnates. If this condition exists very long the collecting blood clots and eventually destroys the organ. Many persons are unconscious victims of this very common condition. The heart, determined as it is to force blood into every part of the system, has to work harder to get it through the clogged organ and eventually the heart breaks down and palpitation, excessive action, rush of blood to the head, distressing headaches, indicate that the Congestion has become chronic and is doing damage to the entire system. Congestion of the kidneys is one of the commonest of complaints and is the beginning of much chronic misery. "Warner's SAFE Cure" will remove it.

FEMALE COMPLAINTS.

What we have said about Congestion applies with particular force to the above complaints. They are as common as can be, and, as every doctor can tell you, most of them begin in this congestive condition of the system, which, not being regularly corrected, grows into disease and produces these countless sufferings which can be alluded to but not described in a

THESE ARE SCIENTIFIC FACTS, and, from the way we have set them forth, it will plainly be seen, that the statement we make, that "Warner's SAFE Cure" is the "most effective remedy ever discovered for the greatest number of human diseases" is justified. It is not a remedy without a reputation. Its sales for the past year have been greater than ever, and the advertising thereof less than ever, showing incontrovertibly that the merit of the medicine has given it a permanent place and value.

People have a dreadful fear of Bright's disease, but we can tell them from our experience that it is the ordinary kidney disease that produces no pain that is to-day the greatest enemy of the human race; great and all powerful, because in nine cases out of ten, its presence is not suspected by either the physician or the victim! The prudent man who finds himself year after year troubled with little odd aches and ailments that perplex him, ought not to hesitate a moment as to the real cause of his disease. If he will give himself thorough constitutional treatment with "Warner's SAFE Cure," and "Warner's SAFE Pills," he will get a new lease of life and justify in his own experience, as hundreds of thousands have done, that 99 per cent of human diseases are really attributable to a deranged condition of the kidneys, and that they will disappear when those organs are restored to health.
