By THE FLAT

In one whirling, dizzy forty-minute period of perfect basketball, the Assumption Council, K. of C., quintet invaded the courts of their fellow "Champions" in West New Brighton Council, in a packed Downey Basketball League Clash in Downey Hall Monday night by a victorious score. At the Downey Club the local score was 23 to 20. Over the long route the game was clipped, West Brighton was beaten.

It was a scholastic game from start to finish, and the big crowd was continuously on edge, for at no time in the contest did more than four points separate the two teams. Near the end of the first half the scores of the Stapleton team had forged to the front by a margin of ten points and there two points apart, no more than the Assumptionist.

Some consistent work by both teams kept the score at a tie mark for quite some time in the first half, and never each side had obtained a lead great and two in succession. Finally Flaherty, Assumption forward, Frank Hogan, captain of the West Brightonites, caged two long ones and soon those long range, but they have no team mates on edge when they tend to materialize. Two more of Flaherty's and Hogan's completed passing.

With the opening of the second half, however, Hogan, who was destined to be the star of the day for the Assumption men, closed up the gap with two baskets from the center line. From then on it was neck and neck, and from then on it was a battle to the finish.

It was nip and tuck with only a few minutes left to play. Fred Flaherty, who twice previously had scored seconds by netting the ball in the net on pinpoint plays, accomplished this feat for a third time when he passed West Brighton ahead 22 to 20. A foul shot, making the score 23 to 20.

On the next jump at center, there was a wild scramble, followed by a mad dash down the court by Billy Murphy. Between the two, they stumbled and fell to the floor, but a basket counted, just the same, following the score 23 to 20.

The game was featured by hard and fast playing throughout, and with the exception of Haggerty on the Stapleton and Parke for West Brighton, the work of the players was about on a par.

There was quite a stir when Jerry Donovan appeared in the Assumption line-up. It was thought Donovan had signed with Richmond, but in the presence of both managers, Jerry proclaimed his allegiance to Assumption Council.

Jerry, incidentally, had a strenuous day of it, for in the first three minutes of play, he received a severe cut under the eye in a bad fall. He gamely played out the game, however.

The line-up follows:

Assumption (23)		West Brighton (22)
Geary	Lf.	Brogan
Donovan	Rf.	Roach
Garrigan, J.	C.	Parke
Murphy	Lg.	Grohm, McWilliams
Haggerty	Rg.	McGinnis

Field goals—Haggerty 3, Brogan 3, Murphy 2, Parke 3, McGinnis 2, Roach 1, Garrigan 1, Donovan 1, Foulis—Murphy 5, Brogan 3, Parke 1. Referee—E. Milne. Umpires—O'Regan and Hannigan. Time of halves—20 minutes.

MONTANAS STAGE THRILLING FINISH AND BEAT OUT M'INTYRE'S FIVE

Overhaul Big Lead and Defeat International Nickel Quintet 32 to 28

Coming up from behind and staging a spectacular finish, the Montana Field Club basketball five kept its string of unbroken victories intact by defeating Aleck "Spike" McIntyre and his band of players representing the International Nickel Company, of Bayonne, yesterday afternoon, at the Stapleton Club Rooms. The final score was 32 to 28.

It was by far the most thrilling game yet staged in the [illegible] this season. McIntyre and his co-workers, after piling up a great lead and for a time it looked as though the Montanans would be buried beneath their first defeat of the season. At one point after about ten minutes of play, the Bayonne team had forged to the front by a margin of ten points and the case of the home club appeared to be almost hopeless.

But in the last ten minutes of the first half, the Montanas finally pulled themselves together and on some nice goal shooting by Hart and some equally brilliant floor work by Anderson, who was playing his first game since receiving an injury, the score was pulled up to even terms at the close of first half when the score stood 13-all.

It was nip and tuck in the second half until the closing minutes of play when the Montanas put on still more speed and showed to the front at the finish by a margin of two field goals.

Murphy and the two Zurmuhlen were the chief point getters for the Westonites while McIntyre dashed his customary fine floor work. The [illegible], however, was able to do little goal shooting for the Montana guards, Stanfield and Wenstrom kept him well covered, and the best he was able to do was to cage two from the field.

The line-up follows:

Montana F. C. (32)		International (28)
Lamb	Lf.	McIntyre
Hart	Rf.	Murphy
Anderson	C.	Fred Zurmuhlen
Wenstrom	Lg.	Frank Zurmuhlen
Stanfield	Rg.	Doran

Field goals—Lamb 2, Hart 4, Anderson 1, Wenstrom 1, Stanfield 1, McIntyre 2, Murphy 4, Fred Zurmuhlen 2, Frank Zurmuhlen 3, Doran 1. Foul goals—Hart 3, Anderson 1, Fred Zurmuhlen 2, Frank Zurmuhlen 1, McIntyre 1. Referee—Copeland. Time of halves—20 minutes.

'JACK DEMPSEY NO SLACKER,' SAYS RICKARD, ANG LING FOR BIC FIGHT

Noted Promoter Quietly Going About Business of Signing the Men

By HENRY L. FARRELL
(United Press Staff Correspondent.)

If a man wanted to buy the Woolworth building it would be poor business to up on the tower with a megaphone and shout to the world what he had to off r for it.

The fight business is a lot like a card game. The one that shows his cards very seldom cashes in. The one that keeps 'em guessin' may not always finish with a roll but he gets a run for his money.

Credit Tex Rickard with these bits of fight philosophy. The American promoter, whose coin dug the grave in Toledo for Jess Willard's career wants to be the funeral director for another champion or a near champion.

For more than a month while printer's ink was smearing gigantic offers for the Dempsey-Carpentier [illegible] the sport pages, Rickard has been trailing the field covered in a cloud of dust. As an official entry in the race M. Descamps, Carpentier's manager, of the four offers.

"Sure, I want the fight," Tex said today with one of his characteristic smiles when asked about the offer, "but I am not ready to make an announcement. I may have something to say in a few days."

This remark cast significance on the statement of Descamps that "within a few days all the details for the fight will be settled." He also gives good reason to believe the latest hot rumor has had him bound by a verbal agreement that was one of the first business moves made by Dempsey after he won the title.

"I've been after the fight for months but I haven't let everyone know my business. I have been waiting for the market to stabilize after the flurries of many wild offers," he said. "The fight will be staged in America. The [illegible] being stirred up against Dempsey will not last."

Commenting upon the charges being made against the champion that he is a slacker and a draft dodger, Tex said:

"Dempsey is being made the target of an unjustified attack. He is no slacker. He filed no claim for exemption and if anyone is to be censured because he wasn't in a uniform it should be the draft board. He is being made the goat for a lot of personal enmity against his manager.

"Why should Dempsey be singled out from the whole athletic family? How about the high salaried ball players who went to the ship yards? How about several champions and other prominent fighters who got a fancy salary from the government for teaching boxing and who wore a uniform that didn't mean anything more than the overalls of the ship yards workers? Dempsey didn't have any big money at that time. If he has to be tried for lack of patriotism the indictments should be made to include every athlete, ball player and fighter who hasn't a service record on file in Washington."
