Don't let your old floors be eye-sores

No longer is it necessary to hide old floors with carpet or linoleum. That's an unnecessary expense these days.

DEVOC Varnish Floor Paint

Long wear is assured by the fact that these varnish paints are made with a hard-drying and classic varnish.

Just the thing for old, discolored floors. Devoc Varnish Floor Paint will not crack or chip.

If you have any old floors to refinish, don't fail to come in and see how easily you can renew them.
