It's a Safe Bet

That the man who has never been late to work—who has never been late to supper—who has never had a "grouch" in the evening, rides a HARLEY-DAVIDSON MOTORCYCLE.

The trip to and from the office or shop, is a real outing that takes a smile and sunshine into his home.

WARRIOR CAR—WRECKER FOR MATCH

(Continued from Page 1.)

Cochrane, the London promoter, which holds the services of Carpenter until December 31, 1920.

William A. Brady, American representative of Cochrane, then flashed the contract.

"Why all that talk about fighting?" Kearns asked.

They talked then about the Lewinsky-Carpenter fight.

Kearns said he would discuss the fight under the Cochrane contract if Descamps would call off the bout with Lewinsky.

"Why?" Curley and Descamps wanted to know.

"Because Carpenter won't get worn 1160 after Lewinsky gets through with him. I'll be wanting to sign the better then, not you," Kearns shouted.

The Frenchmen couldn't find words for their wrath.

There is one lingering ray of hope for the Descamps-Carpenter fight. Kearns says under no conditions will he go to London to fight the Frenchman. There is one chance then that some American promoter can sign Descamps and stage the fight in America with Cochrane as a partner.

Carpenter leaves tomorrow for France. He says he will return September 14.

WATCHING THE SCOREBOARD

Yesterday's hero—Twombly. The Cub gardener hit a homer off Toney in the sixth with two on and gave Lefty Tyler an 8 to 5 victory over the Giants.

Fewster's error in the ninth inning gave the Tigers a 4 to 3 win over the Yanks and shored Hugo's men out of first place.

Speaker's Indians went back into the lead by taking a double header from the Senators at 4 to 1 and 9 to 6.

The White Sox and the Athletics both battled around in the ninth inning and scored five runs apiece but the Sox won, 3 to 5.

Babe Adams shut out the Phils and scored the run that gave him a 1 to 0 victory.

Urban Shooker blanked the Red Sox and helped win his own game, 5 to 0, with a double and two singles.

The Dodgers looked at four of Branch Rickey's pitchers and liked them all, beating the Cards, 14 to 2.

Still Measuring Yachts
Measurements of Resolute and Shamrock IV, necessary to determine how much of a time handicap the Light challenger will have to give the defender in the America cup races starting July 15, will not be completed before night. Two days have already been spent on the task. It is thought that the two contestants may be able to leave the dry dock tomorrow.

Yankee Athletes Win
London, July 9.—On the heels of the victory in the Wimbledon tennis championships, the American colony here had additional grounds for celebrating yesterday over Princeton's victory yesterday in her dual track meet with Oxford.

The American collegians finished first in six out of the ten events, winning the 100-yd. dash, the 120- yd. hurdles, high jump, shot put, and hammer throw and broad jump. The British stars won the quarter, the half, the mile and the three-mile events.

Umps Lose Clothes

When Umpires Eddy Evans and George Hildebrand returned to their dressing room after the Yankee-Tiger game yesterday they found all their clothes, money and valuables—worth about \$300—gone. The thieves made such a thorough job that the umpires had to go to their hotel in spiked shoes.
