

TO MAKE AUTOS AT BROCKVILLE

Carriage Plant Being Enlarged For This Purpose.

Brockville, Aug. 18.—The Canada Carriage company is placing in a plant for the manufacture of a machine to be known as the Brockville "30." In order to carry on the work two new buildings are required, one of which is now completed and the flooring is being placed in the other. The two combined have a floor space of 22,000 square feet. They will cost \$1,000. In order to supply the needs of the increased demand a new 550 horsepower engine is replacing the one now in use. A new chimney is also being erected that is to reach an altitude of 10 feet.

T. J. and F. O. Storey of the Canada Carriage company have recently returned from Winnipeg, where they were engaged in demonstrating the capabilities of the proposed automobile to western agents. They have now a car out in Manitoba touring the country for demonstration purposes, and so far as heard from all who have seen it are delighted with its qualities for quiet running, graceful lines and hill-climbing facilities. All pronounce it excellent.

The cars will be completed here. What is known as the chassis, another term for the gearing, engine, etc., will arrive here and the bodies and other equipment will be supplied, all of which will be made at the local works and will mean a large increase in employees, and consequently in wages paid out. It is proposed to turn out a new fore door automobile capable of accommodating four or five passengers. It will be equipped with tires 35 by 4 inches, which will insure not only good riding qualities but satisfactory results in every way.

The works are now closed owing to the changes made necessary by the additional buildings.

LOCAL NOTICE TO MARINERS.

New York, St. Lawrence river, main channel, mid-channel Reef Buoy, Position 4th class spar, reported out of position Aug. 13, 1910, will be replaced in proper position as soon as practicable.

REPUBLICAN TOWN CAUCUS.

The Republican electors of the town of Oswegatchie are requested to meet in caucus at the town hall in the city of Ogdensburg on Saturday, Aug. 27th, at 2 p. m., for the purpose of nominating two school directors.

C. S. BLOOD, Chairman Town Committee.

O'KELLY WAS COMING FAST

Had Negro Groggy at End of Bout in Watertown.

(Special.)
Watertown, Aug. 19.—Con O'Kelly and Bill Edwards, heavyweights, fought eight hard rounds at Garland City park here this morning. While there was no decision it was the opinion of the spectators that O'Kelly could have won in two more rounds, as the negro was groggy. In the first five rounds Edwards was the aggressor and handed out severe punishment which the Irishman took very gamely. In the sixth O'Kelly cut loose and during the remainder of the bout he slammed Edwards all around the ring. O'Kelly's eye showed the effects of the punning he took in the early rounds of the contest. O'Kelly is the fighter Tommy Ryan is grooming for the heavyweight title.

The preliminary was between Jack Lamont of Dexter and Jack White of Syracuse. Lamont won in the second round on a clean-cut knockout. A large crowd attended the bouts, which were held in the open air. Last night about 2,500 people went out to the park to see the boxing show but owing to the tremendous downpour the event had to be postponed until this morning.

KINGSTON MAN NURSED BY MISS NIGHTINGALE

HAS HANDKERCHIEF WHICH SHE GAVE TO HIM.

Tears welled up in the eyes of "Duke" Cambridge, well known veteran of Kingston, when he learned of the death of Miss Florence Nightingale. Mr. Cambridge has tender memories of the dead nurse, who nursed him during an attack of cholera at the time of the Crimean war. He was a member of the 39th Regiment Foot, and was invalided from Sebastopol to the hospital at Scutari. There Miss Nightingale nursed him tenderly, sitting up with him at night, and when he left the hospital she presented him with a black silk handkerchief and other gifts which he has still in his possession and of which he is naturally very proud.

BRITISH RACERS COMING TO RIVER

For the International Regatta Next Week.

DIXIE II TO BE THERE, TOO

The Dates for the Races Are Aug. 25th, 26th and 27th—Tomorrow's Race in Long Island Sound for the Harmsworth Cup Will Likely Forecast Winner of Next Week's Races.

The greatest motor boat racing events of the season are announced to take place over the long club course at Alexandria Bay on Aug. 25th, 26th and 27th, when the Thousand Island Yacht club-Royal St. Lawrence Yacht club-Montreal meet takes place. Not only will all of the fastest power boats now on the river be seen in action, but the Dixie II will be back together with two or three fast ones from New York waters as well as the three foreign racers sent across the Atlantic to lift the Harmsworth cup. The Dixie II went to England and won this trophy and since then has successfully defended it in New York waters. The race for the Harmsworth cup is to take place tomorrow over the official course at Huntington, L. I., and immediately after the crews of the racers will make preparations to ship their boats to the St. Lawrence. The coming of the Britishers is arousing the greatest interest in the outcome of the races next week at the inter-club regatta. The Dixie II will defend the cup in the race tomorrow and this event will give a line on the relative speed of the challenging crafts and the American speed marvel which for three years has defeated her length on both sides of the Atlantic. The names of the three Britishers which will be in tomorrow's race and next week in the races on the river are Maple Leaf II, which will fly the colors of the Royal St. Lawrence Yacht club of Montreal; Zigaretta and Miranda IV, one of the latter being the property of the Duke of Westminster, one of the most famous devotees of the sport in Europe. Among the boats built in and around New York for tomorrow's race which will likely come to the river next week are the Restless, owned by T. P. Chesbrough; Nameless, owned by August Heckscher and H. H. Melville; Harry, a hydroplane owned by Whitaker & Francis; R. G. E., owned by Harris Hammond; Question, owned by Mr. Smedley; Skimmer, owned by Dr. Branch, and Hobgoblin, owned by Mr. Tinker, and last but not least the Dixie II. Aside from the Dixie little is known as to the speed qualification of these crafts, but until they show better than the Dixie in a real race it is safe to assume that she is the fastest of the lot. The Restless, which the New York papers are boosting as having a chance to win the International cup race, went over the course this week and the time for the thirty miles was 1 hour, 12 minutes, 1 second, which is at the rate of 24.99 nautical or 28.738 statute miles an hour. She was not pushed at any time so that these figures may not be of any worth in getting at the true speed of the boat. The Dixie has shown her ability to go better than 31 in rough water and faster in a smooth sea.

Essex county is likely to have a good road through from Elizabethtown to Keene and to Jay, where it will connect with a State road into Clinton county. To continue the State road through Wilmington Notch to Lake Placid and thence to Saranac Lake is the next step. The people of Franklin county desire to have the road continue northward to the St. Lawrence river. Much of the distance that would be covered has already been marked for State improvement.

SHEA—LONGHREN.

Gouverneur, Aug. 19.—The marriage of Barton F. Shea to Miss Florence Longhren, both of this place, took place at the Episcopal church Wednesday evening. The ceremony was performed by Rev. James A. Dickson, rector of that church.

FAMOUS ORGANIST HERE ON VISIT

L. A. Dumouchel of Albany arrived in the city today to visit his brother, A. E. Dumouchel. He is on his way to Massena Springs, where he spends his annual vacation. Mr. Dumouchel is one of the most famous organists and composers in the country, being the organist and choirmaster in the Cathedral of the Immaculate Conception in Albany.

Canada's Population, 7,489,781.

Ottawa, Ont., Aug. 18.—The population of Canada on March 31st last was 7,489,781, according to the estimate of the Census Department announced today.

NOTICE. Notice is hereby given to the Republican electors of the town of Lisbon that a caucus will be held in the Town Hall in the village of Lisbon, Saturday, Aug. 27, 1910, at 2 o'clock p. m., to name two school councilmen and the transaction of any other business that may properly come before the meeting.

Dated, Aug. 17, 1910.
WILLIAM DINGS, Chairman Town Com.

The annual convention of the International Photo-Engravers' Union of North America will be held in Louisville, Ky., Sept. 6th to 10th.

ROAD MEETING AT SARANAC LAKE

Northern Tier Counties to be Represented.

A convention in the interest of a trunk line of highways will be held in the town hall in Saranac Lake tomorrow beginning at 2 o'clock p. m. Several speakers will address the convention. It is expected that Congressman Malby will be present, though he said today that he had not fully made up his mind in the matter.

The convention will follow up the good work which was started at the meeting held in Elizabethtown in July when Senator Emerson of Essex county advocated the expenditure of \$1,000,000 in the construction of a trunk highway through the Adirondacks. At the Elizabethtown meeting the following committee on permanent organization, constitution and by-laws was appointed:

Franklin county—Judge Paddock, Dr. Lawrason Brown.
Clinton county—Judge John B. Riley, Charles H. Prescott.
Essex county—Walter C. Witherbee, Robert B. Dudley, A. Bosley.
Warren county—Arthur Sherman, William H. Faxson.

The committee will report at the meeting on Saturday and some interesting discussion will develop affecting the construction of better highways through the Adirondacks. The speakers will discuss the workings of the State highway law and state what, if anything, can be done by the State in road work in the Adirondacks in the near future. Other speakers will point out how the respective towns in the different counties may build highways that will connect at the town and county lines and thus make a trunk highway through the Adirondacks connecting with the important highways already constructed or planned.

WORKMAN HURT IN N. Y. C. YARD

Has Three Ribs Broken by a Crane Which Hit Him.

Alfred Garvey of Potsdam, a laborer in the employ of the New York Central in the local yards, was quite badly hurt this afternoon while unloading rails from a work train. The tongs of the crane slipped and hit him across the chest, breaking three of his ribs and also injuring him on the knee. He was at once taken to the City hospital for medical treatment.

STEAMER BOTHNIA TO LEAVE RIVER

SOLD TO COLLINGWOOD FOR THE LAKES TRADE.

The steamer Bothnia, of the M. T. company's fleet, one of the best known vessels in this district, has been sold to Captain Looman, and other parties, of Collingwood, and will be used in carrying lumber from Georgian Bay to Tonawanda, and coal on the up trip. It is rumored that about \$10,000 was the sale figure.

The Bothnia has been in use for about fifteen years, and was built by the Calvin company, and was at first used in the timber trade. For several years the vessel has been used in carrying grain and coal between Kingston and Montreal. Recently she sprung a leak near the Nine Mile Light and was beached in Lily Bay.

'THE BLACK PATTI SHOW' COMING HERE AUG. 25TH

"The Black Patti Show" will this year present the singing musical success in three acts, "A Trip to Africa," by "Jolly" John Larkins. This company has always given the best of satisfaction and performance of its kind. The company will this year excel all past efforts and is a grand performance of music, comedy, dance, etc. The company has been greatly enlarged. Madame Sissieretta Jones, the original "Black Patti," will be seen as the Princess Lulu, and "Jolly" John Larkins as "King Rastus" of the Zambou Tribe. These joint stars will be ably supported by Jerry Mills, who is himself also a funny man, Will Cook, Al F. Waits, Jennie Pearl, Rose Hawkins, Jeanette Murphy, and a large chorus of Creole belles. They are coming to the opera house Thursday evening, Aug. 25th.

GONG, MALBY TO TALK TO GRANGERS

WILL ADDRESS THE POMONA MEETING SEPT. 7TH.

Congressman George R. Malby has accepted an invitation to give an address at the next meeting of the St. Lawrence County Pomona grange to be held at Brier Hill on Wednesday, Sept. 7th.

Mr. Malby received today from New York an enlarged photograph of the Republican State committee men in session this week at New York. He attended this meeting as the proxy of Hon. John P. O'Brien of Clinton, the member for this congressional district. This was the now famous meeting at which Vice-President Sherman was chosen temporary chairman of the State convention over Colonel Roosevelt.

MRS. DANIEL R. PERRY.

Mrs. Daniel R. Perry, one of the old and highly respected residents of Fruit Valley, passed away at 5:30 o'clock this morning after a few hours' illness. Mrs. Perry had enjoyed unusually good health of late. About 8 o'clock last night she complained of being ill and Dr. Albertson was called, but she grew gradually weaker until death came.

Born in this city seventy-five years ago, Mrs. Perry was the daughter of the late Mr. and Mrs. Orvis Harris, prominent in their day as resident of the town. After her marriage to Mr. Perry she moved to Fruit Valley and for fifty-six years had made her home there, loved and respected by a wide circle of friends. Mrs. Perry was a devout member of Christ church. She is survived by three sons and a daughter, Laurence, of Ogdensburg; Arthur, of Orange, N. J.; Hobart, of Panama, and Miss Alice Perry, of Fruit Valley.—Oswego Palladium.

NOTED MINSTRELS MEET AT WATERTOWN

LEW DOCKSTADER AND GEORGE PRIMROSE SHAKE HANDS.

Watertown, Aug. 18.—There was a great surprise written all over the faces of Lew Dockstader and George Primrose, when they by chance met in the lobby of the Woodruff House this morning and shook hands. In the whole United States there are probably not two better known minstrel men or two better minstrels in the business. For a number of years they operated one show under the name of Primrose & Dockstader and finally separated to conduct separate shows. Dockstader arrived here this morning with his troupe for the performance to be given at the City opera house this evening, but he had no knowledge of the presence here of George Primrose, hence the glad surprise, when they saw each other in the lobby.

VISIT TO WISER

FARM STIRS MEMORIES WAS THE HOME OF THE FAMOUS RYSDYK.

A writer in the Prescott Journal in describing a drive about the town and its environs, says: "We are now at J. P. Wisner & Sons' great stock farm, consisting of some six or seven hundred acres, one of the most beautiful and productive in Canada. Twenty-five or thirty years ago this was a great thoroughbred producing stock farm. Some of the greatest trotting horses that Canada has ever owned were raised and trained here, on the fine and fast half-mile track adjacent to the barns, under the skillful tactics of such noted experts as Horace Brown, Predmore, Jenkins and Atherton. Horace Brown and his son Arthur have made their home, and a fortune combined, in training the horses of the King of Austria, at the capital, Vienna. It was on this farm that Mr. Wisner's ten-thousand-dollar horse Fledgling was kept with such noted sires as Phil Sheridan, Chestnut Hill, Joe Brown, Bellwood and Chandos. A few of the celebrities among the trotters were Sensation, Orient, Barbara Palchen, Victoria Consort, Regina Sunrise, and the great five-mile winner, Mary Clark, at Ottawa in the winter of 1883. J. P. Wisner was instrumental in giving to the people in this section of Canada more fine and high-class horses than all the rest of the breeders in Ontario."

MRS. DANIEL R. PERRY.

Gouverneur, Aug. 19.—Mrs. Oliver Gingras, who was taken to the Ogdensburg City hospital about four weeks ago, died Wednesday at the age of 64 years. She was born in the Cedars, Quebec, the daughter of Mr. and Mrs. Anthony Thene. Mrs. Gingras came to this country when 24 years of age and at first settled in Caledonia, where Mr. Gingras was employed. She has lived in this section for over 25 years. The deceased is survived by her husband, two sisters, Mrs. Edward Gorro and Mrs. Leander Gennette, both of Montreal; one son, Anthony, and one daughter, Marie, both of Gouverneur. The funeral will be held at 10 o'clock Saturday in St. James' church. Rev. Father Savage officiating.
