

POETRY

Lying Abed in the Morning... Where gentle zephyrs fondly...

The poet stands aloof from the joys of spring... With visions of coffee and saute...

Let those who choose retire to snooze... When the ducks and chickens are going...

Charge of the Dress Brigade... Half a leg, half a leg, half a leg...

Truth and Falshood... I love the Truth! I love the well...

A Chinese Wedding... A marriage in high life took place...

Our Common Schools

Henry Ward Beecher, in a recent sermon...

Also reduced the inequalities among children...

Hence our common schools ought to be good schools...

The nation cannot afford economy in this matter...

Let those who choose retire to snooze...
