FOR THE HOME.

Onions will grow in almost any soil except a very dry one. On a very wet muddy one, a light loam, a little inclined to sand, is good.

FOR THE HOME. Raising and Storing Onions. Onions will grow in almost any soil except a very dry one.

SISTER ROSE. The June sunshine was stepping all the meadow lands in gold; the wild roses were opening their pink cups.

Six Hundred Miles on a Bicycle.

Mr. Henry M. Bentley last summer journeyed 600 miles on a bicycle. After spending the early months of the summer in and about Hudson, N. Y., view that part of the country from the saddle of a bicycle, he was assisted by Mr. James Merrill, superintendent of the Western Union telegraph company.
