43/4 Per Cent Interest with SAFETY

This bank paid interest at the rate of 4.34 per cent per year since July 1, 1921, and guarantees the same rate until December 31, 1922.

This rate of interest can be paid by this Bank with safety to its depositors and safety to the Bank. The strong financial condition of the Bank makes this absolutely safe.

When men and women sell their hard-earned money to the Bank, they are placing it in the best possible hands.

The Bank has the privilege of lending to you the money you have earned, and when you pay your interest, you are contributing to the welfare of the whole community.
