Students Celebrate Earth Day

Students, faculty, and staff from Chateaugay School kicked off Earth Day at spring Chateaugay School with a day of activities.

Students from the Chateaugay School celebrated Earth Day by cleaning up the school grounds. The students went around the school grounds, picking up trash and other debris. They also planted flowers and helped to beautify the school grounds.

The day concluded with a spaghetti dinner, where students and staff shared a meal and discussed the importance of protecting the environment.
