

Preminger tags Carol for role

By DOROTHY MANNERS

HOLLYWOOD — Otto Preminger has linked the hands of Carol Channing and Jackie Gleason as the husband-and-wife stars of his "Skidoo" for Paramount.

Delighted over getting big-eyed Carol for his hippie treatise, Otto looks on the deal as fate (and himself) stepping in to right the wrong of Carol losing out on the screen version of "Hello, Dolly!"

Says philanthropist Preminger, "I expect this picture to do for Miss Channing what losing 'My Fair Lady' did for Julie Andrews." did you just love Otto and his magic wand?

Shooting starts March 18 in San Francisco, Carmel and Monterey before returning to the Paramount studio for completion.

The real "beautiful people" of the world are not the jetsetters but the Bea Benaderets. Back here after five weeks in Stanford Medical Center awaiting the verdict of the doctors on whether radiation treatment has arrested a lung cancer, Bea says:

"I haven't been replaced as the star of 'Petticoat Junction' because my wonderful producer Charlie Stewart tells me he's even writing next season's series with me in the top spot. But in the long run it really isn't up to Charlie, is it? Or even the doctors at Stanford. If God says I work, I work."

Very popular music man Meredith Willson will be married — and soon — to Rosemary Sullivan who has been his secretary-assistant for almost ten years.

Already Rosemary is wearing her engagement ring, a huge diamond, slipped on her finger over the weekend by the composer of "Music Man," "The Unsinkable Molly Brown" and dozens of Broadway and screen hits.

No date has been set for the wedding — but it may beat this announcement into print.

You better believe Dyan Cannon is serious about a career. Cary Grant's soon-to-be ex-wife goes to St. Paul to star on the stage in "Kiss Me, Kate" and baby it's cold up there.

No matter where, or what the temperature is, you can bet that Cary will be with them for the celebration of daughter Jennifer's second birthday on the 26th of this month. Cary himself celebrates his own birthday on the 18th — and I don't care what number it is, he's still gorgeous.

Mannerisms: Dino Martin, Dean's sprig, who has been dating older ladies of 23 like Christine (Mrs. Tony Curtis), is getting closer to his own age group dating Tina Sinatra. Even she's his senior by two years — Dino's a hot 17.

Another second generationer Earl Wilson Jr. is off to a hit with his first record, "Wait Until Dark" which he sings beautifully. And Earl's boy Earl also composed the reverse side himself which beats pounding a typewriter for a living.

Annette Funicello and Jack Galardi celebrating their third anniversary and Jack's dad's birthday at the same dinner party at Stefanos.

The friends of Agnes Underwood the Herald-Examiner's beloved "Aggie" who is the friend of every newspaperman and woman in southern California plan to turn out full force on Jan. 24. It's the night "Her People" pay tribute to Aggie at a dinner at the Palladium. But not to say "good-bye" to the one and only woman.

Prayer week ends Thursday

PERU — A week of prayer for Christian unity will close Thursday with an ecumenical service in the Catholic Church here at 8 p.m.

The service will be given by the Rev. Dr. James G. Hays, pastor of St. Augustine's Church.

Two laymen, Joseph Alexander and Carl Zerrahn will accompany the Rev. Donald J. Smith, pastor of the First Community Church, in directing the service.

A combined choir with members from both churches will sing "Gloria, Gloria, Gloria" and "Gloria of Lys." The choir is directed by...
