It's there with an Extra Wallop in reserve

SOMETIMES in your automobile you want zip and ginger, sometimes thrift.

Just name your choice. In this high-stepping Buick straight-eight with Compound Carburetion you can have either, each in its proper place.

You can go about your business in easy, ordinary, everyday travel—and this frugal, two-carburetor system will keep you rolling smoothly with only the forward, thrift-size mixer on the job.

Yet any time you want life, lift, super-power it's there with an extra wallop in reserve—just step down on the treadle and you've got it.

That simple move sends

WHEN BETTER AUTOMOBILES ARE BUILT BUICK WILL BUILD THEM

the second carburetor into action; steps up not only fuel supply but the air supply as well.

Thus you have your fun—and frugality too. Owners report mileage figures as much as 10% to 15% higher than on previous Buicks of the same size.

Which means, better go look at the engine that's both thrifty and thrifty too. You'll find it in a bigger, roomier, smarter-looking automobile that gives you more value per dollar than anything else you can buy.

Available at slight extra cost on Buick SPECIAL models, standard on all other Series.

PAYS YOUR GAS TAX FOR YOU

At present Federal tax rates the savings on gasoline effected by Compound Carburetion are usually more than enough to pay Federal taxes on the gas you buy.

\$930 for the Business Coupe (illustrated above) including Compound Carburetion, delivered at Flint, Mich. State tax, optional equipment and accessories—extra. Prices and specifications subject to change without notice.

First Aid Tent Set For Big Rodeo Show

Just in case anything of a serious nature should happen to participants at the Grotto Rodeo in Edgerton Park next week arrangements have been made by General Chairman Bryant G. Parsons for a first aid tent on the grounds.
