Heart Fund Campaign Set in Port Gibson

By ZORA GARLOCK
Port Gibson—Members of the Heart Fund are planning for a drive, which will end in a community-wide rally, to be held at the Port Gibson Memorial Park, Saturday, Feb. 14. The rally will start at 2 p.m., and will feature a number of events and activities.

Miss Yvonne Montana of New Martinsville, Mrs. Cynthia Peck of Hindman, and Mrs. Eileen Martin opened the rally last Saturday night, when two new offices, one each in Port Gibson and Hindman, were opened.

The rally was attended by a large crowd, which included many local residents, as well as visitors from other parts of the state. The event was a great success, and the Heart Fund raises a substantial amount of money each year.

The rally featured a number of activities, including a bake sale, a raffle, and a performance by the local high school band. A large crowd turned out to support the local Heart Fund chapter, and many people made donations to the cause.

Many community groups and organizations were represented at the rally, including the Port Gibson Lions Club, the Port Gibson Kiwanis Club, and the Port Gibson Women's Club. The rally was a great success, and the Heart Fund is grateful for the support of the community.

The Heart Fund is a non-profit organization that raises money to fight heart disease. The organization raises money through community events, such as the one held in Port Gibson, as well as through other fundraising activities. The Heart Fund is dedicated to helping people live longer, healthier lives.
